March 4, 1969

To Town Clerk of Millis

We, the undersigned qualified voters of Millis do represent that we have reason to believe and do believe that the records, or copies of records, made by the election officers of said Town of Millis of the votes cast at the Election held in said Town of Millis for the office of Water Commissioner (three years) are erroneous, in that David E. Rogers was credited with more votes than were actually cast for him, and James Thomas Power was credited with less votes than were actually cast for him. We believe that a recount of the ballots cast in said Town of Millis will affect the election of said candidate. We therefore ask that all votes cast for said office at said election be recounted as provided for in General Laws, Chapter 54, Sections 135 and 135A.

Voter's Name	Residence
Marjorie J. Whitecross	207 Plain Street
Jeanette A. Mallette	179 Spring Street
Wilmae C. Thorne	104 Ridge Street

RECORD OF THE SPECIAL TOWN MEETING HELD IN THE JUNIOR-SENIOR HIGH SCHOOL AUDITORIUM

MILLIS, MASSACHUSETTS, MONDAY, MARCH 10, 1969

A Special Town Meeting of the Town of Millis, Massachusetts, was held Monday evening, March 10, 1969, in the Junior-Senior High School Auditorium and was called to order by the Town Moderator Philip J. Gavin, Jr., at 7:35 P.M.

The Town Warrant calling this business meeting was signed by Selectmen Thomas S. Lydon, Donald M. Kuhn and Henry J. Lewandowski and was posted on March 1, 1969 in accordance with the By-Laws of the Town of Millis by Henry J. Cassidy, Constable.

The following served as Voting List Inspectors: Helen S. Carr, Lorraine Consoletti, Mary M. Germano and Ella Mae Pollard.

MOTION made that the reading of the Warrant and the return of the Service thereof be omitted.

VOTED that the reading of the Warrant and the return of the Service thereof be omitted.

MOTION made that the Moderator be granted unanimous consent to omit the reading of the article and refer to it by subject matter.

VOTED that the Moderator be granted unanimous consent to omit the reading of the article and refer to it by subject matter.

Article 1. To see if the Town will vote to instruct the Selectmen to include in the Warrant for the 1970 Annual Town Meeting for submission to the voters the following question which shall be placed on the official ballot for the election of town officers in 1970: "Shall Section sixty-nine C to sixty-nine F, inclusive, of Chapter forty-one of the General Laws, providing for the establishment of a

board of public works exercising the powers of certain other departments and town officers be accepted," or act in any manner relating thereto.

VOTED that the Town do instruct the Selectmen to include in the Warrant for the 1970 Annual Town Meeting for submission to the voters the following question which shall be placed on the official ballot for the election of town officers in 1970: "Shall Section sixty-nine C to sixty-nine F, inclusive, of Chapter forty-one of the General Laws, providing for the establishment of a board of public works exercising the powers of certain other departments and town officers be accepted."

VOTED to Adjourn at 7:45 P.M.

ARTHUR D. THORNE

Town Clerk

RECORD OF THE ANNUAL TOWN MEETING HELD IN THE JUNIOR-SENIOR HIGH SCHOOL AUDITORIUM

MILLIS, MASSACHUSETTS, MONDAY, MARCH 10, 1969

The Annual Business Meeting of the Town of Millis, Massachusetts was held Monday evening, March 10, 1969, in the Junior-Senior High School Auditorium and was called to order by the Town Moderator, Philip J. Gavin, Jr., at 8:00 P.M.

The Town Warrant calling this business meeting was signed by Selectmen Thomas S. Lydon, Donald M. Kuhn and Henry J. Lewandowski and was posted on March 1, 1969 in accordance with the By-Laws of the Town of Millis by Henry J. Cassidy, Constable.

The following served as Voting List Inspectors: Helen S. Carr, Lorraine Consoletti, Mary M. Germano and Ella Mae Pollard.

The following Tellers were appointed and sworn in by the Moderator: Royden Y. Barrett, Russell Brodeur, Joseph T. Cassidy, Varoujan Karentz, Jack Warsof and Herbert F. Works.

The invocation was given by Rev. Robert D. Fay, St. Thomas the Apostle Church.

MOTION made by Mr. Eugene M. Tangney, Chairman of the Finance Committee, that the reading of the Warrant and the return of the Service thereof be omitted.

VOTED to omit the reading of the Warrant and the return of the Service thereof.

MOTION made by Mr. Eugene M. Tangney that the Moderator be granted unanimous consent to omit the reading of the articles and refer to them under number and subject matter.

VOTED to grant the Moderator unanimous consent to omit the reading of the articles and refer to them under number and subject matter.

Article 1. To choose a Moderator for one year, a Town Clerk for one year, a Town Treasurer for one year, a Tax Collector for three years, one Selectman for three years, two members of the School Committee for three years, one Trustee of the Public Library for three years, one Assessor for three years, one Water Commissioner for three years, one Water Commissioner for two years, one member of the Board of Health for three years, one Sewer Commissioner for three years, one Park Commissioner for three years, one Cemetery Commissioner for three years, one Tree Warden for three years, one member of the Planning Board for five years, one member of the Planning Board for three years, one member of the Planning Board

for one year, one member of the Housing Authority for five years, one member of the Housing Authority for one year.

As the Annual Town Election was held on March 3, 1969, business proceeded directly to the next article.

Article 2. To see if the town will vote to adopt Schedule "A," classification plan, and Schedule "B," salary plan, and other related parts as outlined in the Personnel Committee report dated January 16, 1969, or act in any manner relating thereto.

MOTION made that the town do vote to adopt Schedule "A," classification plan, and Schedule "B," salary plan, and other related parts as outlined in the Personnel Committee report dated January 16, 1969, each classification to be considered a separate item.

VOTED that the town adopt Schedule "A," classification plan, and Schedule "B," salary plan, and related parts as outlined in the Personnel Committee report dated January 16, 1969, each classification to be considered a separate item.

VOTED to Adjourn at 11:33 P.M.

ARTHUR D. THORNE
Town Clerk

RECORD OF ADJOURNED ANNUAL TOWN MEETING HELD IN THE JUNIOR-SENIOR HIGH SCHOOL AUDITORIUM

MILLIS, MASSACHUSETTS, MONDAY, MARCH 17, 1969

The Adjourned Annual Business Meeting of the Town of Millis, Massachusetts was held Monday evening, March 17, 1969, in the Junior-Senior High School Auditorium and was called to order by the Town Moderator, Philip J. Gavin, Jr., at 7:35 P.M.

The Town Warrant calling the Adjourned Annual Business Meeting was posted on March 11, 1969 in ten public places by Henry J. Cassidy, Constable. It was also advertised in the Milford Daily News on March 15, 1969.

The following served as Voting List Checkers: Helen S. Carr, Lorraine Consoletti, Mary M. Germano and Ella Mae Pollard.

The following Tellers were appointed and sworn in by the Moderator: Royden Y. Barrett, Russell Brodeur, Raymond B. Cartier, Joseph T. Cassidy, Varoujan Karentz and Herbert F. Works.

The Moderator announced that Articles 39 and 41 have been Withdrawn. Article 47 will be taken up before Article 46.

Article 5. To see what disposition the town will make of the money refunded by the county on account of dog licenses, or act in any manner relating thereto.

VOTED that the town add the money refunded by the county on account of dog licenses to the Library Expenses Account.

Article 6. To see if the town will, in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, vote to authorize the Cemetery Commissioners, Sewer Commissioners, Water Commissioners, Board of Assessors and Park Commissioners to appoint any of their own members to any other town office or position for the term provided by law, and fix the salaries of such offices or positions, or act in any manner relating thereto.

VOTED that the town in accordance with the provisions of Chapter 41, Section 4A, of the General Laws of Massachusetts, authorize the Cemetery Commissioners, Sewer Commissioners, Water Commissioners, Board of Assessors and Park Commissioners to appoint any of their own members to any other office or position for the term provided by law and fix the salary at \$22.25 per hour, said monies to be obtained from their respective budgets under Article 3.

Article 7. To see if the town will vote to authorize the Board of Sewer Commissioners to appoint their own Sewer Registrar, or act in any manner relating thereto.

VOTED that the town authorize the Board of Sewer Commissioners to appoint their own Sewer Registrar and the funds for same to be obtained under Article 3.

Article 8. To see if the town will vote to authorize the Tree Warden to work for the Tree Department and be paid on an hourly basis, the money to be paid from the Tree Department appropriation, or act in any manner relating thereto.

VOTED that the town authorize the Tree Warden to work for the Tree Department at an hourly basis at a rate of \$22.25 per hour, the money to be paid from the Tree Department appropriation under Article 3.

Article 9. To see if the town will vote to raise and appropriate to the Planning Board a sum of money to be used for the preparation of a Master Plan, said sum of money to be used in conjunction with

matching funds, if available, through the Housing Act of 1954, Title VII, Section 701 as amended, or take any other action relative thereto.

VOTED that the town appropriate and raise by taxation the sum of \$8,300.00 for the preparation of a Master Plan, said sum of money to be used in conjunction with matching funds, if available, through the Housing Act of 1954 Title VII Section 701 as amended.

Article 10. To see if the town will vote to amend the Building Code by adding the following:

SIDEWALL INSTALLATIONS

"For a sidewall installation of any type on any structure upon which are located electrical attachments as described herein, an electrical permit shall be obtained from the Inspector of Wires. Such permit must be obtained by a licensed electrician.

No person, except a licensed electrician shall remove, adjust, relocate, disconnect or disturb in any way, any electrical conduits, which are located electrical attachments as described herein, an cables, wiring, fixtures, cable or conduit supports, meters or switches attached to a building or structure. Such electrician shall also be responsible for replacement and or reinstallation or replacement of equipment on metal clad buildings as noted herein.

Where metal siding is to be applied and service cable is existing at the means of electrical service entrance, such cable shall be properly protected at its point of entrance by providing rounded edges on the siding and sufficient clearance of metal edges from cable contact. Cable supports shall be required at spacings of 18" to 24".

If metal siding exists on a structure and an electrical service installation is to be made, such installation shall be in rigid conduit.

All metal siding installations (i.e.: aluminum, etc.) shall be properly bonded and grounded in the following manner. All corners of the dwelling shall be bonded together with the use of #6 lugs and #8 solid aluminum. Aluminum siding installations wire and run to the street side of the water meter and attached with an approved ground clamp. In the event that driven electrodes are used,

all separate electrodes shall be bonded together to limit potential differences between them. All outside lighting fixtures are to be secured to the siding with proper type screws to assure proper grounding of the fixtures to the metal siding. Proper clearances and smooth edges shall also be provided for openings of fixture or receptacle outlets," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOIED that the town amend the Building Code, dated March 12, 1960, by adding the following as printed in Article 10 as Amended.

"For an exterior sidewall installation of any type on any structure upon which are located electrical attachments as described herein an electrical permit shall be obtained from the Inspector of Wires. Such permit must be obtained by a licensed electrician.

No person, except a licensed electrician shall remove, adjust, relocate, disconnect or disturb in any way any service or service entrance equipment including electrical conduits, cables, wiring, fixtures, cable or conduit supports, meters or switches attached to a building or structure. Such electrician shall also be responsible for replacement and or reinstallation or replacement of equipment on metal clad buildings as noted herein.

Where metal siding is to be applied and service cable is existing as the means of electrical service entrance such cable shall be properly protected at its point of entrance by providing rounded edges on the siding and sufficient clearance of metal edges from cable contact. Cable supports shall be required at spacings of 18" to 24".

If metal siding exists on a structure and an electrical service installation is to be made, such installation shall be in rigid conduit.

All metal siding installations (i.e.: aluminum etc.) shall be properly bonded and grounded in the following manner. All corners of the dwelling shall be bonded together with the use of #6 lugs and #8 solid aluminum. Aluminum siding installations wire and run to the street side of the water meter and attached with an approved ground clamp. In the event that driven electrodes are used, all sep-

mate electrodes shall be bonded together to limit potential differences between them. All outside structure mounted lighting fixtures or devices are to be secured to the siding with proper type screws to assure proper grounding of the fixtures or devices to the metal siding. Proper clearances and smooth edges shall also be provided for openings of fixture or receptacle outlets."

Article 11. To see if the town will vote to amend the present Millis zoning by-laws by inserting after the first paragraph of Section V-F. Removal of Earth Products the following:

"EARTH REMOVAL REGULATIONS

1. Permit Required

- a. No soil, loam, sand, gravel or other earth materials shall be removed from any lot within the Town unless such removal will constitute an exempt operation as hereinafter provided or is done pursuant to a special permit therefor issued by the Board of Appeals.
- b. No permit for removal of earth materials shall be granted unless the Board finds that operations conducted under such permit, subject to the conditions imposed thereby, will not be contrary to the best interests of the Town. For this purpose, an operation shall be considered contrary to the best interests of the Town which:
 - (a) will be injurious or dangerous to the public health or safety;
 - (b) will produce noise, dust or other effects observable from adjacent property in amounts seriously objectionable or detrimental to the normal use of adjacent property;
 - (c) will result in change in topography and cover which will be disadvantageous to the most appropriate use of the land on which the operation is conducted; or
 - (d) will have a material adverse effect on the water supply, health or safety of persons living in the neighborhood or on the use of or amenities of adjacent land.

2. Application and Reference to Planning Board

- a. Each application for a permit for earth material removal

shall be accompanied by a plan, submitted in triplicate the exact size and number of copies of which may be indicated by rule of the Board of Appeals, prepared at the expense of the applicant by a registered Land Surveyor or Civil Engineer, showing: (1) the existing contours of the land; (2) the contours as proposed after completion of the operation; (3) the proposed lateral support to all adjacent property; (4) the proposed drainage including calculations; (5) other information necessary to indicate the complete physical characteristics of the proposed operation.

- b. Within ten (10) days after receipt of the plan, the Board of Appeals shall transmit a copy thereof to the Planning Board. The Planning Board may, in its discretion investigate the case and report in writing its recommendations to the Board of Appeals. The Board of Appeals shall not take final action on such application until it has received a report thereon from the Planning Board, or until said Planning Board has allowed thirty (30) days to elapse after receipt of such plan without submission of a report.

3. Conditions of Permit

- a. In granting a permit hereunder the Board of Appeals shall impose reasonable conditions specially designed to safeguard the neighborhood and the Town, which may include conditions as to: (1) method of removal; (2) type and location of temporary structures; (3) hours of operation; (4) routes for transporting the material through the Town; (5) area and depth of excavation; (6) distance of excavation to street and lot lines; (7) steepness of slopes excavated; (8) re-establishment of ground levels and grades; (9) provisions for temporary and permanent drainage; (10) disposition of boulders and tree stumps; (11) replacement of loam over the area of removal; (12) planting of the area to suitable cover including shrubs and trees; (13) cleaning, repair, and or resurfacing of streets used in removal activities which have been adversely affected by the removal activity.

- b. No permit for removal of earth material shall be issued for a period of more than three (3) years, although such a permit may be renewed for additional periods in the same manner.

The Board shall require a bond or other security to insure compliance with its conditions of authorization, unless, in a particular case, it specifically finds that such security is not warranted and so states in its decision, giving the reasons for its finding.

4. Other Exceptions

The removal of earth material in any of the following operations shall be an exempt operation:

- a. The removal of less than three (3) cubic yards of material in the aggregate in any year from any one lot.
- b. The transfer of material from one part of a lot to another part of the same lot.
- c. The removal of material necessarily excavated in connection with the lawful construction of a building or structure, driveway, sidewalk or path or other appurtenances incidental to any such building or structure, provided that the quantity of material removed does not exceed that actually displaced by the portion of the building, structure, driveway, sidewalk or path below finished grade.

5. Permits in Proposed Subdivisions

It is the intention of the Bv-Law that the removal of the earth materials in an amount in excess of that permitted in paragraph 4a above from any parcel of land for which a definitive subdivision plan has been prepared shall be allowed only in the same manner as removal from other parcels of land in the Town. Consequently, approval of a subdivision plan by the Planning Board shall not be construed as authorizing the removal of material in excess of three (3) cubic yards from the premises, even though in connection with the construction of

streets shown on the plan," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the present Millis zoning by-laws by inserting after the first paragraph of Section V-E. Removal of Earth Products as printed in Article 11.

Article 12. To see if the town will vote to amend the zoning map by changing the zoning of that parcel of land located between Lavender Street and the N. Y., N.H., & H.R.R. so called and included in a depth of 200 feet and parallel to the easterly sideline of Exchange Street from Residential III Zoning to Commercial Zoning.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning map by changing the zoning of that parcel of land located between Lavender Street and the N.Y., N.H., & H.R.R. so called and included in a depth of 200 feet and parallel to the easterly sideline of Exchange Street from Residential III Zoning to Commercial Zoning.

It was UNANIMOUSLY VOTED that the town appropriate and raise by taxation the sum of \$2,671.16 to pay the unpaid bills, as listed above, for the year 1968.

Article 15. To see if the town will vote to raise by taxation and appropriate the sum of \$1,236.93 to pay the temporary interest overdrawn account or act in any manner relating thereto.

It was UNANIMOUSLY VOTED that the town appropriate and raise by taxation the sum of \$1,236.93 to pay the temporary interest overdrawn account.

Article 16. To see if the town will vote to appoint a committee of three, to consist of the Chairman of the Board of Selectmen, the Moderator and the Town Clerk, for the purpose of revising and altering the by-laws of the town and bring in their recommendations in regard thereto at the next regular or special town meeting, or act in any manner relating thereto.

MOTION made by Mr. Charles W. Batchelder, Finance Committee member, that the town vote to appoint a committee of five, to consist of the Chairman of the Board of Selectmen, the Moderator, the Town Clerk, the Town Counsel and the Chairman of the Finance Committee for the purpose of revising and altering the by-laws of the town and bring in their recommendations in regard thereto at the next regular or special town meeting.

VOTED that the town appoint a committee of five, to consist of the Chairman of the Board of Selectmen, the Moderator, the Town Clerk, the Town Counsel and the Chairman of the Finance Committee, for the purpose of revising and altering the by-laws of the town and bring in their recommendations in regard thereto at the next regular or special town meeting.

Article 17. To see if the town will authorize the Board of Selectmen to enter into a contract with the Department of Public Works and the County Commissioners for the construction and maintenance of public highways for the ensuing year or act in any manner relating thereto.

VOTED that the town authorize the Board of Selectmen to enter into a contract with the Department of Public Works and the County Commissioners for the construction and maintenance of public highways for the ensuing year.

Article 18. To see if the town will vote to transfer the sum of \$2,796.99 from the Road Machinery Fund to the Road Machinery Account, to be used for road machinery purposes, or act in any manner relating thereto.

VOTED that the town transfer the sum of \$2,796.99 from the Road Machinery Fund to the Road Machinery Account, to be used for road machinery purposes.

Article 19. To see if the town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of \$16,000.00 for Chapter 90 highway construction, or act in any manner relating thereto.

It was UNANIMOUSLY VOTED that the town approve the sum of \$16,000.00 to continue the laying out and construction on Dover Road, under Chapter 90 of the General Laws. The money to be raised as follows: \$4,000.00, the Town's share to be raised and appropriated by taxation and the Treasurer be authorized to borrow \$12,000.00 for the State and County's share of this work.

Article 20. To see if the town will vote to raise and appropriate a sum of money, said sum to be Millis' share to be used for the purpose of constructing a bridge and approaches over the Charles River on Dover Road, and to authorize the Selectmen to enter into any and all contracts necessary or incidental thereto, and determine whether the money shall be provided for by taxation, appropriation from available funds or by borrowing under the provisions of Chapter 44 of the General Laws, or otherwise, such sums to be expended under the authority of the Board of Selectmen, or act in any manner relating thereto.

VOTED that the town appropriate and raise by taxation the sum of \$14,000.00 to be Millis' share to be used for the purpose of constructing a bridge and approaches over the Charles River on

Dover Road and to authorize the Selectmen to enter into any and all contracts necessary or incidental thereto, and such sum to be expended under the authority of the Board of Selectmen.

Article 21. To see if the town will vote to accept \$4,047.43 as apportioned to the Town of Millis in accordance with Chapter 616 of the Acts of 1967. Said amount to be set up as a separate account for highway projects subject to the prior approval of the Massachusetts Department of Public Works, or act in any manner relating thereto.

VOTED that the town accept \$4,047.43 as apportioned to the Town of Millis in accordance with Chapter 616 of the Acts of 1967. Said amount to be set up as a separate account for highway projects subject to the prior approval of the Massachusetts Department of Public Works.

Article 22. To see if the town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of \$18,700.00 for Chapter 81 Highways, or act in any manner relative thereto.

It was UNANIMOUSLY VOTED that the town appropriate and raise by taxation the sum of \$6,610.00 to meet the Town's share of the cost of Chapter 81 Highways and that in addition, the Treasurer be authorized to borrow the sum of \$12,100.00 to meet the State's share of the cost of work.

Article 23. To see if the town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of \$9,000.00 for Chapter 90 Highway Maintenance, or act in any manner relative thereto.

It was UNANIMOUSLY VOTED that the town appropriate and raise by taxation the sum of \$3,010.00 for the Town's share of Chapter 90 Highway Maintenance and that in addition, the Treasurer be authorized to borrow the sum of \$6,000.00 to meet the State and County's share of the cost of work.

Article 24. To see if the town will vote to appropriate a sum of money for the purchase of a power sweeper for the Highway

Department, and determine whether the money shall be provided for by taxation, by appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine, Finance Committee member, that Article 24 be Dismissed.

VOTED to Dismiss Article 24.

Article 25. To see if the town will vote to authorize the Moderator to continue the same committee as approved by Article 50 of the 1966 Annual Town Meeting to act in the investigation and planning of a public works building or act in any manner relative thereto.

VOTED that the town authorize the Moderator to continue the same committee as approved by Article 50 of the 1966 Annual Town Meeting to act in the investigation and planning of a public works building.

Article 26. To see if the town will vote to purchase a new school bus and have the allowance on the 1963 59-passenger bus applied against the cost of the new bus, appropriate money for same, or act in any manner relative thereto.

VOTED that the town transfer from the Medical Assistance Federal Grant Account the sum of \$6,597.00, the net cost for the purchase of a new school bus which includes the trade-in of a 1963 59-passenger bus.

Article 27. To see if the town will vote to purchase and have installed twenty new windows for the Memorial School, appropriate money for same, or act in any manner relating thereto.

By VOICE VOTE it was VOTED that the town appropriate and transfer from Medical Assistance Federal Grant Account the sum of \$5,975.00 for the purchase and installation of twenty new windows for the Memorial School.

More than seven voters questioned the vote and a standing vote was taken.

By rising count, "Yes" 177 — "No" 46, it was VOTED that the town appropriate and transfer from Medical Assistance Federal Grant Account the sum of \$5,975.00 for the purchase and installation of twenty new windows for the Memorial School.

Article 28 — To see if the town will vote to transfer money of the George Barden Fund to Evening Practical Arts Account, or act in any manner relating thereto.

VOTED that the town transfer the money in the George Barden Fund to Evening Practical Arts Account.

Article 29 — To see if the town will vote to raise and appropriate a sum of money to establish a playing area for softball, etc., off Plain Street, at the end of the present high school football practice field, appropriate money for same, or act in any manner relating thereto.

MOTION made by Mr. Lawrence J. Reardon that Article 29 be Dismissed.

VOTED to Dismiss Article 29.

Article 30 — To see if the town will vote to appropriate a sum of money to establish a recreation program for physically and mentally handicapped children, and determine whether the money shall be provided for by taxation, or by appropriation from available funds in the treasury, or act in any manner relating thereto.

VOTED that the sum of \$500.00 be appropriated and raised by taxation for a recreation program for physically and mentally handicapped children and be spent under the direction of the school administration.

Article 31 — To see if the town will vote to accept the provisions of Chapter 90, Section 13-A of the General Laws, the so-called pedestrian law, authorizing the Board of Selectmen to adopt pedestrian regulations, or act in any manner relating thereto.

VOTED that the town accept the provisions of Chapter 90, Section 13-A of the General Laws, the so-called pedestrian law, authorizing the Board of Selectmen to adopt pedestrian regulations.

Article 32. To see if the town will vote to raise by taxation and appropriate, or transfer from available funds in the treasury, a sum of money for a semi-actuated, pedestrian-actuated traffic signal to be located at the intersection of Main Street and Plain Street, Millis, or act in any manner relating thereto.

It was UNANIMOUSLY VOTED that the sum of \$8,328.00 be appropriated and that the Treasurer, with the approval of the Selectmen, be authorized to borrow the sum of \$6,246.00, which is reimbursable by the State, and that the sum of \$2,082.00 be raised in this year's tax levy to install a semi-actuated pedestrian-actuated traffic signal system to be located at the intersection of Main Street and Plain Street, Millis.

Article 33. To see if the town will vote to purchase a new police cruiser and to have the allowance on the old car - 1967 Ford station wagon - applied against the cost of the new car, appropriate money or transfer from available funds in the treasury for same, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from the Medical Assistance Federal Grant Account the sum of \$3,100.00 for the purchase of a new police cruiser and the allowance of the old car be applied against the cost of the new car.

Article 34. To see if the town will vote to purchase a portable two-way radio for the Police Department appropriate money or transfer from available funds in the treasury for same, or act in any manner relating thereto.

VOTED that the town appropriate and raise by taxation the sum of \$758.00 for the purchase of a portable two-way radio for the Police Department.

Article 35. To see if the town will vote to appropriate a sum of money for engineering specifications for plans for fluoridation of the Millis water supply, or act in any manner relating thereto.

MOTION made by Mr. Lawrence J. Reardon that Article 35 be Dismissed.

By VOICE VOTE it was VOTED to Dismiss Article 35.

More than seven voters questioned the vote and a standing vote was taken.

By rising count, "Yes" 168 — "No" 85, it was VOTED to Dismiss Article 35.

Article 36. To see if the town will, in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, vote to authorize the Board of Health to appoint any of its own members to any other town office or position for the term provided by law, and fix the salaries of such offices or positions at \$2.40 per hour, or act in any manner relating thereto.

MOTION made by Mr. Everett D. Adams, Finance Committee member, that the town will, in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, vote to authorize the Board of Health to appoint any of its own members to any other town office or position for the term provided by law, and fix the salaries of such offices or positions at \$2.25 per hour, monies for same to be obtained from the budget under Article 3.

AMENDED MOTION made by Mr. Paul J. Cleveland that the sum read \$2.40 per hour.

By VOICE VOTE the AMENDED MOTION was LOST.

VOTED that the town, in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, authorize the Board of Health to appoint any of its own members to any other town office or position for the term provided by law, and fix the salaries of such offices or positions at \$2.25 per hour, monies for same to be obtained from the budget under Article 3.

Article 37. To see if the town will vote the sum of monies to meter the Town of Millis, and that the Treasurer, with the approval of the Selectmen, be authorized to borrow the sum of monies and issue notes of the town therefor payable in accordance with the provisions of Chapter 44 of the General Laws so that the whole shall be paid in not more than ten years, or act in any manner relating thereto.

MOTION made by Mr. Everett D. Adams that Article 37 be Dismissed.

VOTED to Dismiss Article 37.

Article 38. To see if the town will vote to appropriate a sum of money for the purchase of a four-wheel drive pick-up truck for the Water Department, and to have the allowance on the old truck applied against the cost of a new truck, or act in any manner relating thereto.

MOTION made by Mr. Everett D. Adams that Article 38 be Dismissed.

After a lengthy discussion, MOTION for Previous Question was made by Mr. George D. Cassidy, Jr. It was **UNANIMOUSLY VOTED** to call for the Previous Question.

By **VOICE VOTE** it was **VOTED** to Dismiss Article 38.

More than seven voters questioned the vote and a standing vote was taken. By rising count, "Yes" 115 "No" 144, the MOTION for Dismissal was **LOST**.

MOTION made by Mr. Eugene M. Tangney that the town appropriate and raise by taxation the sum of \$3,300.00 for the purchase of a four-wheel drive pick-up truck for the Water Department, and have the allowance on the old truck applied against the cost of the new truck.

VOTED that the town appropriate and raise by taxation the sum of \$3,300.00 for the purchase of a four-wheel drive pick-up truck for the Water Department, and have the allowance on the old truck applied against the cost of the new truck.

Article 39 was Withdrawn.

Article 40. To see if the town will vote to appropriate a sum of money for engineering services and a final report on the qualification of the proposed town well located at Clark's Pit, and to determine whether the money shall be provided for by appropriation from available funds in the treasury, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from Water surplus Account \$500.00 for engineering services and a final report on the qualification of the proposed town well located at Clark's Pit.

Article 41 was Withdrawn.

Article 42. To see if the town will vote to raise and appropriate a sum of money for the purchase of a fire truck, determine whether the money shall be provided for by taxation, by borrowing or by appropriation from available funds in the treasury, or act in any manner relating thereto.

MOTION made by Mr. Clifford D. Thatcher, Finance Committee member, that Article 42 be Dismissed.

VOTED to Dismiss Article 42.

Article 43. To see if the town will vote to raise and appropriate a sum of money for the purchase of a three circuit fire alarm register, determine whether the money shall be provided by taxation, by borrowing or by appropriation from available funds in the treasury, or act in any manner relating thereto.

MOTION made by Mr. Clifford D. Thatcher that the town vote to appropriate and transfer from Medical Assistance Federal Grant Account \$5,200.00 for the purpose of purchasing a three circuit fire alarm register.

MOTION made by Mr. Robert L. Broman that Article 43 be Dismissed.

By VOICE VOTE the MOTION for Dismissal was LOST.

After a lengthy discussion, MOTION for the Previous Question was made by Mr. George D. Cassidy, Jr. It was UNANIMOUSLY VOTED to call for the Previous Question.

By VOICE VOTE it was VOTED that the town appropriate and transfer from Medical Assistance Federal Grant Account \$5,200.00 for the purpose of purchasing a three circuit fire alarm register.

More than seven voters questioned the vote and a standing vote was taken. By rising count, "Yes" 101 "No" 111, the MOTION was LOST.

Article 44. To see if the town will vote to purchase a centrifugal pump for the Sewer Department, appropriate money for same, or act in any manner relating thereto.

MOTION made by Mr. Clifford D. Thatcher that the town appropriate and transfer from Medical Assistance Federal Grant Account \$1,580.00 for the purpose of purchasing a centrifugal pump for the Sewer Department.

After a lengthy discussion, MOTION was made for the Previous Question. It was UNANIMOUSLY VOTED to call for the Previous Question.

VOTED that the town appropriate and transfer from Medical Assistance Federal Grant Account \$1,580.00 for the purpose of purchasing a centrifugal pump for the Sewer Department.

Article 45. To see if the town will vote to appropriate a sum of money to grade and apply oil on the road from Water Street to the sewer treatment plant, or act in any manner relating thereto.

MOTION made by Mr. Clifford D. Thatcher that Article 45 be Dismissed.

VOTED to Dismiss Article 45.

Article 47. To see if the town will raise and appropriate a sum of money to be expended with funds received by the town as a grant under federal or state aid program, or other funds, for the construction of gravity sewers in Island Road, Exchange Street, Maple Avenue, Oakview Avenue, Union Street, and construction of a sewer force main from the proposed pumping station to the sewage treatment plant; and the installation of a pumping station on Island Road; and determine whether the money shall be provided for by taxation, appropriation from available funds, or by borrowing under the provisions of Chapter 44 of the General Laws, or otherwise, such sums to be expended under the authority of the Board of Sewer Commissioners, or act in any manner relating thereto.

MOTION made by Mr. Clifford D. Thatcher that Article 47 be Dismissed.

VOTED to Dismiss Article 47.

Article 46. To see if the town will vote to transfer jurisdiction of a certain parcel of land on Island Road near Bogastow Brook from the Board of Selectmen to the Board of Sewer Commissioners for the purpose of installing, operating and maintaining a sewage pumping station, or act in any manner relating thereto.

MOTION made by Mr. Clifford D. Thatcher that Article 46 be Dismissed.

VOTED to Dismiss Article 46.

Article 48. To see if the town will raise and appropriate a sum of money to acquire, purchase, or take by eminent domain, easement in lands hereinafter described for the purposes of constructing, completing, using and maintaining for sewer force main approved under Article 47 of this warrant, as follows:

- A. An easement 20 ft. in width, beginning at Island Road and along the westerly property line of Lot 36 - Assessors Map No. 17 - 678 ft. more or less, thence turning and running southeasterly across Lot 36 from Lot 37 to Lot 35 - 490 ft. more or less to a point 353 ft. northerly of the intersection of the property lines of Lots 35, 36 and 39.
- B. An easement 20 ft. in width beginning at a point on the property line between Lots 35 and 36 - Assessors Map No. 17 - said point being 341 ft. southerly from the sideline of Island Road and running southeasterly across Lot 35 to Lot 45 said intersection being 1270 ft. more or less southerly from the side line of Island Road.

and determine whether the money shall be provided for by taxation, appropriation from available funds, or by borrowing under provisions of Chapter 44 of the General Laws or otherwise, such sums to be expended under the authority of the Board of Sewer Commissioners or act in any manner relating thereto.

MOTION made by Mr. Clifford D. Thatcher that Article 48 be Dismissed.

VOTED to Dismiss Article 48.

Article 49. To see if the town will vote to adopt the following motion: "All surplus excavated materials from town-sponsored projects shall be deposited under direction of the Board of Selectmen," or act in any manner relating thereto.

VOTED that the town adopt the following by-law: "All surplus excavated materials from town-sponsored projects shall be deposited under direction of the Board of Selectmen."

Article 50. To see if the town will vote to establish an Industrial Development Committee to consist of nine members to be appointed by the Selectmen. The purpose of this committee will be to publicize the availability and advantages of land in Millis for selected industrial development, or act in any manner relating thereto.

VOTED that the town expand the present Industrial Development Committee to consist of nine members to be appointed by the selectmen. The purpose of this committee will be to publicize the availability and advantages of land in Millis for selected industrial development.

Article 51. To see if the town will vote to have the Moderator appoint a committee which shall report to the next annual or special town meeting on whatever is assigned to it at this meeting, or on whatever matter or matters may be presented to it by town officials through the Board of Selectmen prior to the next annual or special town meeting, or act in any manner relating thereto.

VOTED that the Moderator appoint a committee which shall report to the next annual or special town meeting on whatever matter assigned to it at this meeting, or on whatever matter or matters may be presented to it by town officials through the Board of Selectmen prior to the next annual or special town meeting.

Article 52. To see if the town will vote to amend the by-laws adding under Police Regulations, Article VIII, the following new section:

"Section 26. No individual or organization shall solicit homes, businesses or industries in the town for any purpose whatsoever without first having obtained a written permit from the Chief of Police, clearly setting forth the purposes for such solicitation and imposing any appropriate limitations as to time and area" or act in any manner relating thereto.

MOTION made by Mr. Joseph L. Travers, Jr., Finance Committee member, that the town amend the by-laws by adding under Police Regulations, Article VIII the following new section:

"Section 26. No individual or organization shall solicit homes, businesses or industries in the town for any purpose whatsoever without first having obtained a written permit from the Chief of Police, clearly setting forth the purpose for such solicitation and imposing any appropriate limitations as to time and area. The individual or organization shall have the right of appeal to the Board of Selectmen."

VOTED that the town amend the by-laws by adding under Police Regulations, Article VIII, the following new section:

"Section 26. No individual or organization shall solicit homes, businesses or industries in the town for any purpose whatsoever without first having obtained a written permit from the Chief of Police, clearly setting forth the purpose for such solicitation and imposing any appropriate limitations as to time and area. The individual or organization shall have the right of appeal to the Board of Selectmen."

Article 53. To see if the town will vote to accept a bequest of One Thousand Dollars (\$1000.00) made to the Town of Millis under the will of Louise B. Dunn, late of Southboro, Massachusetts and formerly of Millis, or act in any manner relating thereto.

VOTED that the town accept a bequest of One Thousand Dollars (\$1000.00) made to the Town of Millis under the will of Louise B. Dunn, late of Southboro, Massachusetts and formerly of Millis.

MOTION made by Mr. Varoujan Karentz for Reconsideration of Article 52.

By VOICE VOTE the MOTION for Reconsideration was LOST.

Article 54. To see if the town will accept a conveyance of real estate from Philip Braman and Violet R. Braman to the said Town of Millis; said real estate being located in Millis, Norfolk County, Massachusetts, on the westerly side of Cemetery Road and being shown as Lot No. 105 on a plan entitled "Compiled Plan of Land in Millis, Mass., April 13, 1968, Bowie Engineering Co., Civil Engineers, Millis, Mass." duly recorded with Norfolk County Registry of Deeds and being bounded and described as follows:

EASTERLY	by Cemetery Road and land of unnamed owner; as shown on said plan, 275 feet, more or less; and
WESTERLY	by land of the Town of Millis, 242.6 feet; and
NORTHERLY	by lot numbered 7 designated on said plan, 69 feet, more or less; and
NORTHEASTERLY	by lot numbered 104, as shown on said plan, 72.01 feet,

Containing 19,500 square feet, more or less, according to said plan, or act in any manner relating thereto.

VOTED that the town accept a conveyance of real estate from Philip Braman and Violet R. Braman to the said Town of Millis; said real estate being located in Millis, Norfolk County, Massachusetts, on the westerly side of Cemetery Road and being shown as Lot No. 105 on a plan entitled "Compiled Plan of Land in Millis, Mass., April 13, 1968, Bowie Engineering Co., Civil Engineers, Millis, Mass." duly recorded with Norfolk County Registry of Deeds and being bounded and described as follows:

EASTERLY	by Cemetery Road and land of unnamed owner, as shown on said plan, 275 feet, more or less; and
----------	--

WESTERLY	by land of the Town of Millis, 242.6 feet; and
NORTHERLY	by lot numbered 1, designated on said plan, 69 feet, more or less; and
NORTHEASTERLY	by lot numbered 104, as shown on said plan, 72.01 feet,

Containing 19,500 square feet, more or less, according to said plan.

Article 55. To see if the town will vote to accept Clark Road and the remaining portion of Pollard Drive as public ways together with any necessary easements as shown on a plan on file with the Town Clerk, providing they meet the requirements of the Town By-Laws and if approved by the Board of Selectmen and Planning Board, or act in any manner relating thereto.

The plan is approved by the Planning Board.

VOTED that the town accept Clark Road and the remaining portion of Pollard Drive as public ways, together with any necessary easements as shown on a plan on file with the Town Clerk providing they meet the requirements of the Town By-Laws and if approved by the Board of Selectmen and Planning Board.

Article 56. To see if the town will vote to authorize the Moderator to continue the Town Office Building Investigating Committee and appropriate a sum of money for same or act in any manner relating thereto.

VOTED that the town authorize the Moderator to continue the Town Office Building Investigating Committee.

VOTED to Adjourn sine die at 11:00 P.M. the business of the warrant being completed.

ARTHUR D. THORNE

Town Clerk

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations and Taxation

BUREAU OF ACCOUNTS

REPORT OF AN AUDIT

of

THE ACCOUNTS OF

THE TOWN OF MILLIS

For the period from JUNE 21, 1967 to DECEMBER 31, 1968

Made in Accordance with the Provisions of Chapter 44,

General Laws

July 15, 1969

To the Board of Selectmen
Mr. Donald M. Kuhn, Chairman
Millis, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Millis for the period from June 21, 1967 to December 31, 1968, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Chief of Bureau.

Very truly yours,

Arthur H. MacKinnon

Director of Accounts

Mr. Arthur H. MacKinnon
Director of Accounts
Department of Corporations and Taxation
Boston, Massachusetts

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Millis for the period from June 21, 1967, the date of the previous examination, to December 31, 1968, and report thereon as follows:

An examination and verification was made of the financial transactions of the town as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection.

The books and accounts in the town accountant's office were examined and checked. The general and appropriation ledgers were analyzed in detail. The recorded receipts were compared with the treasurer's books and with the records in the several departments collecting money for the town, the payments, as entered, were checked

with the treasurer's books and with the treasury warrants, while the appropriations and transfers were checked with the town clerk's records of financial votes passed by the town and with the finance committee's records of transfers authorized from the reserve fund.

A trial balance was taken off, the many necessary adjusting and correcting entries were made, and a balance sheet, showing the financial condition of the town on December 31, 1968, was prepared and is appended to this report.

Considerable difficulty was encountered in proving the general ledger accounts, and it is recommended that the town accountant prove the general ledger by taking off a trial balance of the account at the end of each month so that any errors or omissions may be promptly found and corrected. It is further recommended that the town accountant compare his ledger balances monthly with the treasurer's books and with all other departmental records that are available.

It was noted that appropriations were voted from taxation during the years 1967 and 1968, after the fixing of the tax rate for that year and expended in most part during the year. Appropriations from taxation should be voted only prior to the fixing of the tax rate for that year, and all subsequent appropriations should be provided for from, and limited in amount to, the free cash or other specific funds that may be available. Furthermore, the expenditure of funds not provided for in fact creates an overdrawn account contrary to the provisions of Section 31, Chapter 44, General Laws.

It was again noted that expenditures for Chapter 81 and Chapter 90 highway projects exceeded the amounts available, thus creating overdrawn appropriation accounts contrary to the provisions of Section 31, Chapter 44, General Laws. Attention is again called to the fact that the expenditures for highway projects carried on by the town in conjunction with the State and county may not exceed the aggregate amount of the appropriations voted by the town, together with the amount actually received by the town on account of allotments. Whenever the reimbursements from the State and county are not received in time to provide for the payment of pay-

etc., temporary loans in anticipation of reimbursement should be made by the treasurer under the provisions of Section 6A, Chapter 24, General Laws.

The books and accounts of the town treasurer were examined and checked in detail. The recorded receipts were analyzed and compared with the departmental records of payments to the treasurer, with other sources from which the town received money, and with the town accountant's books. The recorded payments were checked with the approved warrants authorizing the disbursement of town funds and with the town accountant's books.

The treasurer's cash balance on December 31, 1968 was proved by a trial count of the cash in the office, by examination of a savings bank book, and by reconciliation of the bank balances with statements and certificates furnished by the banks of deposit.

The payments made for maturing debt and interest were compared with the cancelled securities and coupons on file and with the amounts falling due. The outstanding coupons were listed and reconciled with the balances as shown by statements furnished by the banks of deposit.

The records of tax titles and tax possessions held by the town were examined. The taxes transferred to the tax title account were compared with the tax collector's books, the recorded redemptions were checked with the receipts as recorded on the treasurer's cash book, and the tax titles and tax possessions on hand were listed, reconciled with the town accountant's ledger controls and compared with the records at the Registry of Deeds.

The savings bank books representing the investments of the trust and investment funds in the custody of the town treasurer were examined and listed. The income was proved and all recorded transactions were verified.

The records of payroll deductions on account of Federal and State taxes, Blue Cross and Blue Shield, group insurance, and the county retirement system were examined and checked. The amounts withheld were compared with the treasurer's recorded receipts and

the payments to the proper agencies were compared with the voucher on file.

The books and accounts of the tax collector were examined preparatory to a recommitment to the newly-appointed tax collector. The taxes, excise, and assessments outstanding at the time of the previous examination, as well as all subsequent commitment list were audited and verified. The cash book additions were proved and the reported payments to the treasurer were compared with the treasurer's recorded receipts. The recorded abatements were checked with the assessors' records of abatements granted, the amounts transferred to the tax title account were proved, and the outstanding accounts were listed and reconciled with the respective accounts in the general ledger. The collector's cash balance on December 31, 1968 was proved by reconciliation of the bank balance with a statement furnished by the bank of deposit and by actual count of the cash in the office.

Aggregates of the outstanding tax, excise, and assessments, as well as of the outstanding sewer and water accounts, were given to the board of assessors and the boards of sewer and water commissioners, respectively, for purposes of recommitment to the new tax collector.

The records of departmental and water accounts receivable were examined and checked. The commitments were verified, the recorded collections were proved with the payments to the treasurer, the abatements were compared with the departmental records of abatements granted, and the outstanding accounts were listed, checked with the available records in the several departments, and reconciled with the controlling accounts in the town accountant's ledger.

The outstanding tax, excise, assessment, departmental and water accounts were further verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the accounts, as listed, are substantially correct.

The surety bonds on file for the several town officials were examined and found to be in proper form.

The assessors' warrants for the commitment of taxes, excise and assessments were listed and compared with the detailed lists, and the records of abatements granted were compared with the amounts recorded in the tax collector's commitment books and in the town accountant's ledger.

The records of apportioned sewer and water assessments were examined. The payments to the treasurer in advance were checked with the treasurer's recorded receipts, the amounts added to taxes were verified, and the apportionments due in future years were listed and proved with the town accountant's ledger accounts.

The town clerk's records of dog and sporting licenses issued were examined and checked. The recorded payments to the treasurer and to the State were verified by comparison with the treasurer's books and with the receipts on file, and the cash balance was proved by actual count of the cash in the office and by reconciliation of the bank balance with a statement furnished by the bank of deposit.

The records of water guarantee deposits were examined and checked. The deposits were listed, the refunds to depositors and the transfers to the town to cover the cost of work were verified, and the deposits on hand were proved with the town accountant's ledger controls.

The records of departmental cash collections by the board of selectmen, the sealer of weights and measures, and the buildings and fire inspectors, as well as by the police, health, sewer, highway, school and library departments, and by all other departments in which money was collected for the town, were examined and checked. The payments to the town treasurer were verified by comparison with the treasurer's and the accountant's books, and the cash on hand in the several departments was proved by actual count.

Appended to this report, in addition to the balance sheet, are tables showing reconciliations of the treasurer's and the town clerk's cash, summaries of the tax, excise, assessment, tax title, departmental and water accounts, as well as schedules showing the condition and transactions of the trust and investment funds.

During the progress of the audit cooperation was received from all town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectively submitted,

William Schwartz

Assistant Chief of Bureau

IN MEMORIAM

HENRY J. CASSIDY

1911 - 1970

As the board of selectmen closed the annual town meeting warrant for 1970 and ordered the report for 1969 printed, we were saddened by the untimely death of Henry J. Cassidy on January 29, 1970. He served his community well as a dedicated police officer for more than 28 years and as acting police chief 1954-1955 and 1965-1966.

REPORT OF THE POLICE DEPARTMENT

I herewith submit my report to the police department for the year ending December 31, 1969.

First degree murder	4
Manslaughter	4
Armed robbery	2
Kidnapping	1
Assault with intent to murder	2
Assault with dangerous weapon	5
Suicide	1
Carrying dangerous weapon	4
Narcotic violations	11
Lewd and Lascivious Person	3
Indecent assault	2
Unnatural act	2
Annoying and accosting	1

Operating after revocation of license	2
Failing to keep to the right	4
Failing to stop after accident	4
Allowing improper person to operate M. V.	2
Driving to endanger	9
Faulty equipment	7
Abandon M. V.	1
Operating w/o license	2

Using w/o authority	1
Attaching plates	3
No inspection sticker	1
Failing to stop for police officer	2
No headgear	1
Giving false name	1
Total violations	229
Total citations issued	162
Court appearances	231

The police department this year has had one of the busiest in the history of the town.

During this year my men have been called upon to go above and beyond the call of duty and have done so with no hesitation whatsoever. I consider the personnel in my department the finest group of dedicated police officers I have ever come in contact with. Words cannot thank them enough.

I would like to thank all townspeople and town departments for the help, understanding and faith they have displayed this past year.

Sincerely yours,

GEORGE J. SMITH, JR.

Chief of Police

REPORT OF THE FIRE DEPARTMENT

This department responded to 263 calls as follows: 56 grass fire, 5 oil burner fires, 14 car accidents, 7 oxygen, 2 lost children, 5 gas leak, 13 building fires, 3 bomb scares, 19 car fires, 1 refrigerator, 11 false alarms, 1 motor fire, 2 cat in tree, 1 washing machine, 4 oven fires, 1 rescue, 2 boys from water, 21 investigations, 42 house duty, 10 mutual aid, 26 dump fires, 12 water in cellars.

The Medfield, Medway and Norfolk Fire Departments assisted this department at various fires during the year.

Eleven practice sessions for the department were held and several men along with the officers attended training sessions.

All school fire alarms were tested every 60 days and town-owned buildings were inspected quarterly as required by The New England Insurance Underwriters. Rest homes and hotels were inspected quarterly as required by state law.

738 permits for open fires were issued this year.

The permits are required by state law and may be obtained at the fire and police station on Main Street.

I wish to thank the board of selectmen and the citizens for their support especially the personnel at the dispatch office.

Sincerely yours,

JOHN J. WARD

Fire Chief

REPORT OF THE CIVIL DEFENSE DIRECTOR

I herewith submit my report as civil defense director for the year 1969.

All requests of the state and sector directors have been fulfilled and all reports requested completed.

Our radio officer has taken part in all radio alerts and drills.

I wish to thank the board of selectmen and the citizens for their support, especially the personnel at the dispatch office.

Sincerely yours,

JOHN J. WARD

Director

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

I herewith submit my report as sealer of weights and measures for the year 1969.

12 Scales sealed
10 Gasoline meters sealed
27 Apothecary weights tested

Sealing fees in amount of \$96.70 were collected and given over to town treasurer.

Sincerely yours,

THOMAS WARD

Sealer of Weights and Measures

REPORT OF THE MILLIS HOUSING AUTHORITY

The authority is proud and pleased once again in 1969 to report that it is functioning at 100% capacity in the 32 units of convenient and comfortable housing for its qualified residents.

During the year the resignation of State Appointee Mr. Henry Gibbs necessitated the appointment of Mr. Michael Mushnick by the governor's office to complete the unexpired term.

Our complex, under the maintenance supervision of Mr. Sumner Rich, has maintained maximum performance. The requirements for admission to tenancy are that the applicant be 65 years of age or older, have an income not exceeding \$2500. per single person or \$3,000. per couple and be a citizen of the United States.

The Commonwealth of Massachusetts funds have been used exclusively and no financial burden has been caused the Town of Millis.

We gratefully appreciate the continued service of our street at Kennedy Terrace by the Millis Highway Department and the cooperation of the Board of Selectmen on our safety needs.

For any information regarding Kennedy Terrace please call our Executive Director, Mrs. Claire K. Murphy.

Respectfully submitted,

WILLIAM T. DEAN, Chairman

REPORT OF THE RECREATION COMMITTEE

During the past year the committee has met and discussed the needs of the town. We reviewed the activities currently offered and the facilities, both public and private, available to the townspeople.

Hopefully, we look forward to 1970. We gladly solicit aid and suggestions from anyone interested in recreation for the Millis townspeople, both children and adults.

Respectfully submitted

ARAM KAROGHLANIAN, Chairman

REPORT OF THE PARK COMMISSIONERS

The board of park commissioners respectfully submits a brief summary of the park department for the year 1969. This year again we had a very successful tennis program.

Vandalism is still a big problem in the parks.

Once again the park commissioners remind the citizens of Millis that the town is in need of more park land.

We hope to continue to improve the area around Richardson's Pond to make for better skating.

Respectfully submitted,

MICHAEL F. COSTELLO, Chairman

REPORT OF THE GAS AND PLUMBING INSPECTOR

I hereby submit my report as gas and plumbing inspector for the year ending December 31, 1969.

Gas permits issued	53
Gas inspections approved	53
Plumbing permits issued	47
Plumbing inspections approved	44

Respectfully submitted,

HUGH J. McCARTHY

Gas and Plumbing Inspector

REPORT OF THE INSPECTOR OF WIRES

It required logging 367 calls to process the 134 permits issued, emergency calls and corrective measures by this office during 1969.

An appreciative thank you to my assistant, Richard Rooney, and special thanks to Mrs. Marge Whitecross, who never refused to help.

Respectfully submitted,

TAUNO O. AALTO

Inspector of Wires

REPORT OF THE PERSONNEL COMMITTEE

The personnel committee has been holding regular meetings since late summer in their efforts to prepare a fair and equitable salary and fringe adjustment for consideration for 1970.

A great deal of expression has come from the federal administration relative to curbing inflation. The unfortunate facts, however, pointed to the continued increase in the cost of living. The Boston area has reached an all-time high and surpassed other sections of the nation. The committee has tried to cope with this problem while still trying to remain sensitive to an ever increasing tax rate.

Many factors, in addition to cost of living, must be considered in arriving at a just wage for town employees. Among these are changes of varying degrees in work requirements; compensation granted for similar positions in surrounding towns and also towns of comparable size; and competition for available competent help.

We can all point with pride to the performance of our town employees. This past year has called for extraordinary efforts from some departments with particular excellence required of the police department.

Millis has been provided with a high standard of service from all town departments that come under the jurisdiction of the personnel committee. We extend our sincere thanks to the department heads, town employees, selectmen and finance committee for their patience and assistance with our problems in arriving at a salary schedule for 1970.

Respectfully submitted,

MALCOLM Y. MacKINNON, Chairman

REPORT OF THE CONSERVATION COMMISSION

During the past year your conservation commission has concentrated attention on the Charles River and lower Boggastow meadow or marsh land and the vital necessity of insuring the preservation of this area in its natural state as open space and as storage area for flood waters in high-water periods. The initial step towards this end is flood plain zoning. We have urged the planning board to action on this and have met with their full agreement and cooperation. Several joint meetings have been held on the subject, the conservation commission supplying data and recommendations on the areas and elevations to be covered.

We earnestly solicit the support of the citizens when this matter comes before town meeting. We are fortunate in that there has been, so far, substantially no encroachment on the natural flood plain by unsuitable uses of the land. The time for action on flood plain zoning is therefore now when it will injure no one and should be to the evident advantage of all.

Your conservation commission is further actively engaged in study of the flood plain area to determine ownership of the land with a view to possible acquisition by the town either in fee simple or control by means of negative easement. Such action is urged by the Massachusetts Department of Natural Resources, the Charles River Watershed Association, the Massachusetts Association of Conservation Commissions and, in fact, all public bodies concerned with conservation. It is the logical follow-up and back stop to flood plain zoning. Following the example and experience of other towns along the river, notably Medfield, it is hoped that much of this land may be offered to the town as a gift, subject to approval of the selectmen, and that it may be possible to acquire the bulk of it at assessed value, or thereabouts, as funds are made available for the purpose. At the March town meeting we will be asking for a substantial appropriation to the conservation fund to make up for the neglect of the past several years. We would also say that with the current high empha-

sis on conservation, anti-pollution and environmental control at both the federal and the state levels of government, it is anticipated that matching funds will be more readily available than in the past in support of local efforts to acquire marginal land for conservation purposes.

Respectfully submitted,

ROBERT M. MORSE, Chairman

REPORT OF THE PLANNING BOARD

During the year 1969 the planning board held eighteen regular meetings, four special meetings and conducted three public hearings.

Various members also attended meetings in Norfolk, Walpole and Dedham on the Charles River watershed and relocation of Route 109.

Four engineering firms were interviewed for the master plan contract and Metcalf and Eddy of Boston were selected as the engineering firm to do the master plan study.

Federal funds have not as yet been approved for the master plan so the project has not been started.

Respectfully submitted,

ARTHUR B. BLACKETT, Chairman

REPORT OF THE MEMORIAL DAY COMMITTEE

Memorial Day 1969, was celebrated on the Sunday before the holiday because of the confusion caused by the setting of the date by the state of Massachusetts and the federal government. The annual parade was enjoyed by a very large gathering of townspeople. Ceremonies were held at the World War I and the World War II memorials with prayers offered by Fr. John P. Leonard and Rev. Crawford L. Coombes. A wreath was placed on the World War I memorial by Millard La Croix and on the World War II memorial by Mrs. Lorraine Consoletti. A volley was fired by the American Legion firing squad.

Ceremonies at the cemetery opened with a welcome address by Commander Eugene W. Anderson of Post 203. The invocation was delivered by Rev. William C. Fleming. The program consisted of reading of General Logan's Orders by Troop 15 Life Scout John Murphy, Lincoln's Gettysburg Address by Steven Rowley, recitation of Flanders Field by Miss Colleen Costa and a selection by the Knightsman Drum and Bugle Corps. The main address was delivered by Millard La Croix, first commander of Millis Post 203, American Legion, in commemoration of the 50th anniversary of the founding of the Legion.

At the following public memorials wreaths were placed and a salute fired by the Legion firing squad:

- Pollard Memorial Drive
- Raymond J. Curry Memorial Square
- Harry Himelfarb Memorial Square
- Buddy Kearney Memorial Square

Respectfully submitted,

EUGENE W. ANDERSON, Chairman
Memorial Day Committee

REPORT OF THE WORLD WAR II MEMORIAL COMMITTEE

Your committee is pleased to report that the World War II Memorial was maintained in excellent manner during the year. The area was mowed and cleaned at regular periods presenting an attractive sight. The memorial was lighted and the flag flown on all appropriate occasions.

Through the cooperation of the school committee and the board of selectmen arrangements were made whereby the flag was flown for twenty-four hours a day and the memorial lighted from dusk to dawn for the duration of the Viet Nam situation.

The committee wishes to thank all those who aided in any manner in maintaining the memorial.

Respectfully submitted,

EUGENE W. ANDERSON, Chairman

REPORT OF THE TREASURER

I hereby submit the following report of the treasurer's department for the year 1969.

Balance of the stabilization fund as of December 31, 1969 is as follows:

Medway Savings Bank	\$13,028.61
Hancock Bank & Trust Company	1,418.22
Medway Co-Operative Bank	686.06
	<hr/>
	\$15,132.89

Balance of library trust funds as of December 31, 1969.

Dr. and Charles Wesley Emerson Fund	\$474.28
George W. Woolvett Fund	4,947.61
	<hr/>
	\$5,421.89

Balance of Millis One Hundred Anniversary Fund \$1,490.49

The following is a summary of insurance policies of the town as of December 31, 1969.

Respectfully submitted,

WILLIAM G. MALLETT

Town Treasurer

The following is a summary of the insurance policies of the Town as of December 31, 1969:

Sports Policy	Maine Fidelity Life Ins. Co.	00053289	9/9/70

Respectfully submitted,

WILLIAM G. MALLETT, Town Treasurer

REPORT OF THE TRUSTEES AND STAFF OF THE MILLIS PUBLIC LIBRARY

The librarian joins the library trustees in thanking the friends of the library and the citizens of the town of Millis for once again allowing us to contribute to the cultural and educational wants of our patrons. The year was notable for a ten per cent increase in circulation and many other outstanding events mentioned chronologically below.

Our art exhibits this year included the beautiful and varied paintings of Mr. Roy Morse of Ridge St., Millis, and the talented specialized work of Mr. Irving Moskowitz of Medway.

Mrs. Elizabeth Proe, library assistant, conducted a very enlightening and successful defensive driving course in the library conference room in April. This course was sponsored by the Massachusetts Safety Council. Twenty-eight people attended and completed the four informative sessions. Mrs. Proe has been requested by the safety council to conduct another course in 1970.

Mrs. Mildred Powers conducted our summer reading program. Members of the program read over 600 books. Thirty-five eager children were rewarded with a very delightful trip to the new aquarium.

A carnival of films, featuring old-time favorites such as Charlie Chaplin and W. C. Fields, were shown every Thursday evening during the month of October.

The trustees feted a flag-pole dedication ceremony on October 26. Donald McCarter, a Life Scout of Troop 15, built, constructed and presented this pole to the Library. A reception for his family, troop and friends was held in the library following the moving event.

The librarians were pleased to have twenty-four enthusiastic book-lovers visit the library during Book Week, November 16-22. In the spirit of school-library coordination, we have again this year sent a

deposit of approximately 800 books to the schools, for the use of the elementary students.

We are fortunate with the assistance of Miss Strathern the school librarian to soon offer an inter-library borrowing program with the school library.

The trustees were active in state-wide library functions through the Massachusetts Library Trustees Association, at whose annual meeting one of our members was a principal speaker and was also elected to the executive committee. Millis was also represented by a trustee on a special committee appointed by the library commissioners to evaluate a state-wide study of libraries in the commonwealth.

We wish to inform our patrons, that residents with a Millis Public Library card may obtain and borrow books directly from the Boston Public Library and the Wellesley Free Library. The bookmobile continues to visit the library on the first Wednesday of every month at 10:30 A.M.

We take this opportunity to thank our many generous friends for their donation of books to the library.

The trustees express their gratitude to Mr. Lloyd Green of Pollard Drive for his gift of a 15-drawer card catalog file.

For the Library Staff

Geraldine Tirrell, Asst. Librarian

Patricia B. Olstead, Librarian-in-Charge

For the Library Trustees

Betty L. Temple, Chairman

REPORT OF ANIMAL INSPECTOR

I hereby submit the following report of the inspector of animals for the year ending December 31, 1969.

There were 46 cases of dog bites, 2 cat bites, and 1 horse bite reported. All of these animals were quarantined for the required period and then released.

The heads of two cats were sent to the Wasserman Laboratories for examination and found to be free of rabies.

Respectfully submitted,

TIMOTHY J. McCARTHY

Inspector of Animals

REPORT OF THE VETERANS' AGENT

I hereby submit my report as veterans' agent and director of services for the year ending December 31, 1969.

Appropriation		\$30,000.00
Expenditures:		
Ordinary Benefits	\$23,605.70	
Fuel	1,103.79	
Doctors	553.00	
Medications	303.90	
Hospitals	2,841.57	
Insurance	151.50	
Miscellaneous	348.26	
		\$28,907.72

Board of Assessors

EDWARD V. O'NEIL, Chairman

REPORT OF PUBLIC WORKS BUILDING COMMITTEE

It has been accomplished by the committee to select an architect and prepare preliminary plans for our urgently needed public work building which will be located on Water Street town owned property.

Five architects were interviewed in March 1969, and of the five, Phillip and Noonan Associates, Inc., were selected. The preliminary plans have been prepared and are now ready for town meeting action.

Respectfully submitted,

RICHARD C. BARRETT, Chairman

REPORT OF THE PARK LAND INVESTIGATING COMMITTEE

The park land investigating committee was appointed by the moderator under the authority of the town meeting.

The committee has met a number of times during the past year to discuss what should be done with some lands presently under the jurisdiction of the park department. The committee feels that most land now under the auspices of the park department should be better utilized than it is. Land such as the triangle at the corner of Pleasant Village and Dyer Streets should be cleared and made available to area residents for park and recreational purposes.

We also feel that the planning board should take under consideration the requiring of developers to provide specified amounts of land for park and recreational purposes in all new subdivisions.

SEYMOUR DOLINER, Chairman

REPORT OF THE TREE WARDEN

I hereby submit my report as tree warden of the Town of Millis for the period ending December 31, 1969.

In 1969 the amount of work involved in the upkeep of town trees more than doubled. The outlook for 1970 and the future is one of similar challenge for this department. It is my feeling that one of the tasks to be performed with a high priority is the removal of stumps caused by the removal of diseased trees.

At this time I would like to extend my appreciation to all of the town departments and townspeople for their cooperation during 1969.

Respectfully submitted,

FRANCIS K. FARRICY

Tree Warden

REPORT OF THE SMOKE AND ODOR NUISANCE COMMITTEE

The committee reviewed complaints regarding smoke, odor and noise nuisance caused by the G.A.F. Corporation.

After consultation with the Millis Board of Health, the Massachusetts Department of Public Health, Division of Environmental Health, requested the G.A.F. Corporation to take immediate steps to insure proper air pollution control and requested that the Division of Environmental Health be informed of the corrective action taken by the G.A.F. Corporation by September 5, 1969. To the best of our knowledge G.A.F. Corporation has not taken the corrective measures recommended by the Division of Environmental Health.

Respectfully submitted,

JOHN J. LYDEN

REPORT OF THE TOWN OFFICE BUILDING INVESTIGATING COMMITTEE

The committee had several meetings and had an offer of land from one of the citizens of the community. However, this offer has since been withdrawn.

Before planning a town office building, the committee would have to secure land for this purpose. Hopefully, the moderator will continue the committee to investigate 1- the purchase of land and 2- prepare plans for the type of building needed after consultation with the various departments in the town. Several firms have expressed willingness to meet with the committee appointed by the moderator to go over the various plans of this type of building used in other communities.

Respectfully submitted,

THOMAS S. LYDON, Chairman

REPORT OF THE SUPERINTENDENT OF INSECT PEST CONTROL

I hereby submit my report for the period ending December 31, 1969.

During the past year this department has declared an all out war on Dutch Elm Disease and other leaf-eating insects which have caused extensive damage to trees within the town of Millis.

The success of our campaign can be attributed to the various town departments and townspeople of Millis.

Respectfully submitted,

FRANCIS K. FARRICY

Superintendent of Insect Pest Control

REPORT OF THE TOWN COUNSEL

This is a report of the discharge of my duties as town counsel for the Town of Millis for the year 1969.

A large portion of my appearances in court on behalf of the town involved appeals from decisions of the zoning board of appeals. The majority of these cases dealt with petitions for construction of multi-family dwellings. Some of these cases have been tried and others are presently pending. The case of WINIKER VS. ZONING BOARD OF APPEALS, one of the multi-family dwelling cases was tried for several days before the Norfolk County Superior Court. No decision has been forthcoming as of the date of this report. Another apartment house case, LAUREL DEVELOPMENT VS. ZONING BOARD OF APPEALS, was tried for 13 days before a master. This trial is still in progress at the beginning of 1970. Two other multi-family dwelling cases, HARCOVITZ VS. ZONING BOARD OF APPEALS and CASSIDY VS. ZONING BOARD OF APPEALS, are presently pending and are expected to be tried during 1970. In the latter of these two cases, the overruling of the town's demurrer by the superior court has been appealed to the Massachusetts Supreme Judicial Court.

The long pending tax assessment case of MAREMONT CORPORATION VS. TOWN OF MILLIS has finally been resolved and a decree entered establishing the liability of said corporation for past and future real estate taxes.

The attorney general of the Commonwealth of Massachusetts brought suit against the Town of Millis for the action of the town meeting in reducing the school committee budget. Said action was tried in the Suffolk County Superior Court and a partial restoration of the funds cut was ordered by that court.

Several small tort claims were negotiated and settled in favor of the Town of Millis. Several alleged violations of the by-laws of our town have been referred to my office by your board. Some of these

have been settled amicably and others are subject matter of pending criminal complaints. Other criminal complaints for violation of our by-laws or the general laws have been pursued by my office on behalf of the building inspector and the board of health. A defense has been entered on behalf of the town treasurer in the land court, as a result of an action filed against him relative to the taking by the Town of Millis for nonpayment of taxes.

During the past year I have given legal advice and opinions, not only to your board, but, to almost every board and committee established by the general laws or by-laws of the Town of Millis.

It has been a gratifying experience working with your board during 1969, in the best interest of the people of the Town of Millis. My only regret is the fact that during the year 1970 Thomas S. Lydon, who has manifested such competence and outstanding dedication to the people of the Town of Millis will no longer be numbered among your membership.

Respectfully submitted,

JOHN F. ST. CYR

Counsel, Town of Millis

REPORT OF BY-LAW COMMITTEE

Pursuant to the provisions of Article 16 of the 1969 Millis Annual Town Meeting, a by-law committee was established for the purposes of reviewing the by-laws of the town and recommending amendments or modifications thereof to a subsequent town meeting.

At the first meeting of the committee, John F. St. Cyr was elected chairman and Arthur D. Thorne was elected clerk. Plans for the

progress of the committee were formulated and responsibility was delegated for investigating the course of amendments to these by-laws and the adoption by the Town of Millis of certain general laws of the Commonwealth of Massachusetts.

Subsequently, copies of the special acts as they related to the town by-laws were obtained and reviewed by the members.

We respectfully suggest that the responsibilities imposed upon this committee by the 1969 annual town meeting require additional time to implement. It is, therefore, requested that an article be placed in the 1970 annual town meeting warrant to re-establish and continue said by-law committee.

Respectfully submitted,

JOHN F. ST. CYR, Chairman

REPORT OF THE BUILDING INSPECTOR

I hereby submit my report as building inspector for the town of Millis for the year 1969.

During the year 56 permits were issued with an estimated cost of construction of \$1,122,333. This figure doubles the estimated cost of construction of the previous year.

The following is a breakdown of building permits issued:

7 Residential permits - estimated cost of construction	\$146,000.
8 Commercial and industrial -	645,700.
1 Appartment house complex -	240,000.
25 Additions or alterations -	64,975.
14 Auxiliary buildings -	25,658.

2 No charge

56 Permits issued

\$1,122.33

I would like to express my thanks for the cooperation I have received from my associate, Mr. William Whelan, and from Mr. Kenneth Whitecross and Mrs. Charles Germano.

Respectfully submitted,

CHARLES F. MANDELL

Building Inspector

REPORT OF THE BOARD OF HEALTH

Submitted herewith is the annual report of the board of health for the year ending December 31, 1969.

In accordance with Chapter 111, Section 27 of the General Laws the board organized on March 4, 1969 with Paul J. Cleveland, chairman; John J. Lyons, clerk; Thomas J. Fleming, senior agent.

The dates of the regular meetings were set for the first and third Tuesday of each month at 8:00 p.m. in the town office.

BOARD OF HEALTH APPOINTMENTS

Inspector of slaughtering
Sanitation agent
Milk inspector

Timothy J. McCarthy
Thomas J. Fleming, Sr.
Philip J. Gavin, Jr.

COMMUNICABLE DISEASES

The following communicable diseases were reported to the board of health by physicians during 1969:

Chicken pox	1
Scarlet fever	1
Syphilis	2

PERMITS AND LICENSES ISSUED BY BOARD OF HEALTH

Food service establishment	37
Petting	1
Transport and dispose Offal	5
Swimming pools	2
Manufacture citrus mixes	1
Funeral home	1
Septic tank	
New installation	18
Modification of existing facilities	9
Complaints received and investigation on record	15
Dog bites	16
Animal bites	3

MILK INSPECTOR

Three complaints alleging contaminated milk were received during the past year. These were turned over to the Department of Public Health. Laboratory tests in each case were negative.

The following permits were issued and the money for same turned over to the Town Treasurer.

5 Oleomargarine permits	\$ 2.50
25 Milk permits	12.50
	<hr/>
	\$15.00

INSPECTOR OF SLAUGHTERING

There were no animals slaughtered during the year 1969.

AGENT FOR THE BOARD OF HEALTH

For the year 1969 18 new septic tank installation inspections were made plus 9 inspections for modification of existing facilities. Miscellaneous complaints were received and appropriate action taken where necessary.

4. Three DPT and DT Clinics pre-school-12	454
5. Three Sabin clinics (Grades K-6)	267
6. Tuberculosis detection	
(Grades 1, 9 and JPA)	(tested) 191
7. Dental clinics at Clyde F. Brown School	(clinics) 35

REPORT OF PROFESSIONAL-MEDICAL ADVISORY COMMITTEE

The professional-medical advisory committee has had many meetings regarding the health problems of the town.

Fluoridation of the town water supply was endorsed as it was felt this was an important aid to dental health.

Mental health programs were discussed and found to be a definite help particularly with school programs.

Education of the townspeople in various areas of today's problems was felt to be most important with the possibility of programs to be held for the public.

It was voted to investigate the reprinting of the health bulletin as this has been well received.

It was voted to reduce the number of meetings until such time as we have a definite program planned.

MRS. ALBERT L. ANDREWS,
Chairman

Respectfully submitted,

BOARD OF HEALTH
PAUL J. CLEVELAND, Chairman

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Millis for the year ending December 31, 1969.

Aerial larvacide	1950 Acres
Misting from trucks	1217 Acres
Winter pre-hatch dusting	60 Acres
Drainage ditches cleaned	3825 Feet
Brush cut	660 Feet
Culverts cleaned	47 Culverts
Catch basins treated	145 Catch basins
Backpack spraying	45 Acres
New ditch constructed	1410 Feet
Fog application	1250 Acres

Respectfully submitted,

ALBERT W. HEUSER, Superintendent

REPORT OF INDUSTRIAL DEVELOPMENT COMMISSION

It was voted at the annual town meeting in March of 1969 to increase the membership of the commission from five members to nine members.

It had been the plan of the commission to have a brochure prepared for release to interested industrial firms by August of 1969.

Upon learning from the Mass. Department of Commerce and Development of the proposed new Route 209 which when built will pass through Millis, this was dropped. The new route will definitely change the traffic pattern and could interfere with land available.

The commission is currently using, as a substitute the Monograph of Millis issued by the Dept. of Commerce and Development (revised Feb., 1969).

During the year, members David Noon and Richard Halverson attended a four-meeting seminar conducted by the Dept. of Commerce and Development held at the New England Electric Company in Westboro, Mass.

The commission has available for reference a complete listing of land ten acres or more.

During the year Mr. Frank Miraglia, area co-ordinator of the Dept. of Commerce and Development met in Millis with the local commission.

Aerial photos of Millis were taken by member Richard Halverson and are on file with the commission.

The commission is in contact with the Penn Central Railroad Industrial Development Department and the City of Lawrence Industrial Development Commission.

The commission in 1969 had two inquiries as to available land and as of Dec. 10, 1969 one company is in discussion with the commission through one of its co-chairman and a local realtor.

The industrial commission met early in 1969 with the Millis Planning Board and hopes to continue this in 1970 to discuss possible rezoning for industrial advantage.

HENRY J. LEWANDOWSKI

SAMUEL POWEL, JR., Co-Chairman

REPORT OF THE BOARD OF SEWER COMMISSIONERS

The sewer commissioners organized in March, 1969, as follows: Robert Pettis, Chairman; George DeAngelis, Clerk; George Sarri. Robert Pettis was appointed superintendent of sewers.

Hilltop Drive and Main Street have been resurfaced.

Bids were received for a pumping unit as follows:

(1) Needham Hydraulics	\$1580.
(2) W. A. VanBlascon Co.	1812.
(3) Barry and Associate	1857.
(4) Hayes Pump and Machinery	1993.

The board awarded the contract to Needham Hydraulics.

Sewer rental is 100 percent of water bill.

All property owners wishing to connect to the town sewer must have a permit. The contractor or person doing the job must be approved by the sewer commissioners. Water drainage other than sewerage is *prohibited*. All sewer connections are subject to inspection by the sewer department.

Respectfully submitted.

ROBERT PETTIS, Chairman

REPORT OF THE WATER COMMISSIONERS

Submitted herewith is a summary of some of the regular maintenance and repair activities by the Millis Water Department during the year of 1969.

Service calls	69
New service installed	9
Service repaired	26
Meters installed	6
Broken main repairs	1
Hydrants replaced	4
Hydrants Installed	1

Water main installed by contractors under the supervision of the Water Department:

400 feet ten-inch cast iron pipe on Farm Street

350 feet eight-inch cast iron pipe on Oakview Avenue.

All of this water main installed was of the cement-lined type and approved by the board of water commissioners.

MONTHLY PUMPING REPORT AND RAIN FALL—1969

	Gallons Pumped	Rain Fall
January	16,475,000	.79
February	13,969,000	4.50
March	15,995,000	1.90
April	17,196,000	5.52
May	19,482,000	3.23
June	22,709,000	1.63
July	22,346,000	4.47
August	21,276,000	2.32
September	17,731,000	3.88
October	17,138,000	.90
November	15,946,000	6.67
December	16,642,000	7.25
<hr/>		
Total	216,905,000	43.04

We thank all town departments and townspeople for any and all assistance given this department.

Respectfully submitted,

WAYNE L. HANSEN, Chairman

REPORT OF THE ZONING LAW APPEAL BOARD

The appeal board had a very active year.

Jan. 2, 1969 - Frank J. Milauskas, 15 Walnut Street granted variance as to area requirements.

Mar. 7, 1969 - Helen Holland, Farm Street, 9 foot side lot line variance granted to allow building of garage.

Mar. 14, 1969 - Ruth Holbrook, Exchange Street, allowed variance to convert residence to two family.

June 13, 1969 - Paul A. and Susan A. Sarconcy, Morse Avenue, granted frontage and side lot line variance to erect house.

July 9, 1969 - Huna Rosenfeld granted permission to erect 180 apartments on Main Street.

Aug. 7, 1969 - Church of Christ granted permit to conduct nursery school.

Aug. 9, 1969 - Herbert Halper, 6 Appletree Lane, Walpole, refused variance to erect dog kennel at 286 Main Street.

Sept. 13, 1969 - William L. Gardner, granted variance changing part of his property on Dover Road to industrial for electronic use.

Nov. 23, 1969 - Eden Developers, Inc., frontage variance denied on Island Road.

Nov. 23, 1969 - Dudley Cabinets, 1312 Main Street, granted rear lot line variance.

Dec. 12, 1969 - Hearing held on petition of Clicquot Club Inc. to allow rear lot line variance for erection of warehouse. Decision pending.

Dec. 29, 1969 - Variance granted to Huna Rosenfeld to allow dividing of property in commercial area across from Post-Office.

Legal actions disagreeing with the decisions of the board take up considerable time of the board and town counsel.

The suit by Joseph Winiker Realty Co. for refusal to grant a permit to erect 198 apartments on Norfolk Road has been heard in Superior Court and the decision is pending. The hearing before Master James Burke on the denial of the board to grant a permit to Laurel Development Corporation to erect 420 apartments on Farm Street is continuing after three weeks of testimony. The suit by an abutter for granting a permit to H & R Corporation to erect 137 apartments on Island Road has not been brought to trial, nor has the suit to John Harcovitz to erect two apartment buildings on Auburn Road, Ridge and Curve Streets. Notice has been received that the decision of the board in the Eden Development case will be contested in the courts.

The resignation of Anthony P. Meleski, secretary of the board since its inception in 1953 is regretted. His long service and able counsel deserve the thanks of his fellow townspeople.

WILLIAM F. WRIGHT,

Chairman

REPORT OF THE HIGHWAY DEPARTMENT

The year 1969 was another busy year for your highway department. In addition to its regular routine work several other projects were completed.

1. Clark Road and the last section of Pollard Drive were accepted as town ways at the regular town meeting held on

March 10, 1969. Several holes were patched and a coat of liquid asphalt was applied.

2. Eleven hundred feet of new sidewalk was constructed on Village Street from Plain Street to Spring Street. The street has been widened about six feet and 800 feet of the new sidewalk has been completed. The remainder will be finished in the spring.
3. Two hundred feet of thirty-inch aluminum drainage pipe has been installed on the Cassidy drainage easement as voted at the regular town meeting.
4. Under the special bond issue, 400 feet of 12-inch concrete pipe and four catch basins were installed on Forest Road. The roadway was regraded, widened and resurfaced from Bow Street to Village Street which has improved this area very much and will prevent flooding of this area in the future.
5. Bids for a new bridge on Dover Road between the towns of Millis and Medfield was advertised and awarded by the Massachusetts Department of Public Works to Suburban Excavators of Wakefield Construction. The bridge will be started in January 1970.

Chapter 81 funds were used for the maintenance of all town-accepted streets. The following streets received a liquid asphalt application with a sand and stone cover totaling approximately 24,000 gallons of asphalt: Orchard Street, Middlesex Street, Exchange Street, High Street, Cole Avenue, Morse Avenue, Pleasant Street, Baltimore Street, Bow Street, Forest Road, Parnell Street, Irving Street, Oakview Avenue, Clark Road, Birch Street, Auburn Road and Ridge Street.

Chapter 90 maintenance funds were used to install 540 feet of 12-inch drainage pipe, one manhole, and four catch basins, also a "mix in place" was applied covering about 3400 feet on Pleasant Street from Rockville Corner to the Red Barn Steak House.

Chapter 90 construction funds were used to complete about 1500 feet of roadway and 1900 feet of drainage on the second section of Dover Road.

Snow account funds were used on eight plowable storms which deposited 79 inches of snow. There were five storms of freezing rain and six storms of light snow of one inch or less. Five hundred and eighty three tons of salt and 1400 tons of sand were used to control these storms.

On February 26th the worst snow storm ever to hit our area left a total accumulation of 28 inches. All roads were kept open by a 23-year-old FWD truck and a big vee plow. I feel that this truck will have to be replaced this year in order to give good service to the taxpayers in heavy snow storms in the future.

Respectfully submitted.

RICHARD C. BARRETT

Superintendent of Streets

JURY LIST—1969 - 1970

Aalto, Tauno	Electrician
Alger, George	Electronic Engineer
Allard, Ernest H.	Technologist
Archibald, David B.	Credit Manager

REPORT OF THE CEMETERY COMMISSIONERS

The cemetery commissioners began this year with a very busy spring inasmuch as there was considerable cleaning up to do in preparation for the Memorial Day services. Depressions in many lots were leveled and reseeded. Eight Japanese cherry trees were planted in various areas throughout Section D and C annex, and four rhododendron plants were placed in Section B. These are all flowering shrubs and will add much beauty to Prospect Hill Cemetery.

Approximately 300 feet of water pipe was replaced in the old section. The flag racks at the speakers stand were painted and a number of feet in the wall at the rear of this section was replaced.

The cemetery commissioners were pleased to work with the people of the Jewish faith and as a result Section E was opened. A portion of this area has been consecrated by a rabbi and this area is now available to the Jewish people of Millis.

Many families are contributing to the cemetery trust funds and perpetual care. We are indeed pleased to receive this added support.

The cemetery commissioners also wish to thank the townspeople and all town departments who have in any way helped us during the year.

Respectfully submitted,

PHILIP H. SMITH JR., Chairman

SCHOOL COMMITTEE REPORT

To the Citizens of Millis:

Membership of your School Committee for the months of January and February in 1969 included the following: John M. Ritchie, Chairman; Francis J. Collins, Secretary; Robert W. McDonough, Financial Secretary; Donald M. Kuhn, Associate Member; and Francis J. O'Rourke, Associate Member.

Following the annual Town election the Committee held a special meeting and organized in the following manner: John M. Ritchie, Chairman; Francis J. Collins, Secretary; Raymond L. Gehling, Jr., Financial Secretary; Robert W. McDonough, Associate Member; and John F. O'Rourke, Associate Member.

In September, when teacher negotiations were completed, the Committee reorganized as follows: Robert W. McDonough, Chairman; Francis J. Collins, Secretary; Raymond L. Gehling, Jr., Financial Secretary; John F. O'Rourke, Associate Member and John M. Ritchie, Associate Member.

It was felt that the same organization should remain in effect until negotiations were completed.

During the school year the Principals were present, by invitation, to discuss personnel, programs, preliminary budgets, and curricula.

Behind-the-wheel, an important phase of the Driver Education Program, has been continued after school hours for the Fifth consecutive year. We are grateful to the Fred C. Browle Ford Agency of Walpole for making two cars available for this purpose.

Other youth and adult programs initiated, planned, and operated by the School Committee include the Summer Recreational Program which offers swimming and safety instruction at the Ashland State Park, as well as supervised playground activity in the Town Park and Evening Practical Arts Programs for adults. Courses are planned to meet the interests of the community. An Advisory

Committee co-operates in this program. Millis offered two adult evening classes in typing and art. As the interest is expressed it is hoped that the evening program will expand.

In keeping with School Committee policy, bids are prepared, advertised, and publicly opened by the School Committee for the following purchases and contracts: bus supplies, equipment, fuel, milk, bread, typewriters, etc.

Special attention is given to the maintenance of school buildings and grounds, not only during the school year, but during the summer as well.

Pupil insurance is offered on a voluntary basis to parents. Because of the numbers involved the rates are reasonable and serious consideration about participation in the program should be given by parents. At the opening of school each year, information concerning the program is made available. All claims to date have been honored which are in keeping with the coverage offered by the policy.

The Committee continues to serve as co-sponsor of the Browns, Cub Scouts, Girl Scouts, Boy Scouts and Explorers.

The Committee voted that Robert W. McDonough would be the delegate at the annual meeting of the Massachusetts Association of School Committees which was held at the Belmont Hotel, Harvard, in October. He and Superintendent Dr. George C. Roy attended this convention. The Committee maintains an active membership in the Area II School Committee Association.

The Committee has endorsed the participation of the local school system in many federal supported programs which included Public Law-89-10, Title I, Summer Elementary School Program; Title II, Library Program; Title III, Innovative Projects and the National Defense Education Act Program. Leadership in these programs exerted by the Superintendent and Principals is most beneficial.

The School Committee and Millis Teachers' Association, an affiliate of the Massachusetts Teachers' Association, have established subcommittees to work out details relating to negotiations for 1970-71.

At the annual Town Meeting last March, the School Budget was reduced. This matter was taken to court under Chapter 71, Section 34 by the Attorney General's Office and the cut was restored with a 25% penalty to be held for the calendar year 1970. Two items, transportation and participation in the Framingham Mental Health Association, were declared non-mandatory prior to the hearing.

The Committee has devoted much time and effort studying, adjusting and reviewing its budget and is convinced its request is a minimum to operate efficiently and effectively the School system for 1970.

Our own Superintendent, Dr. Roy, filed legislation with the Honorable John Quinlan, our State Senator as sponsor, to change the fiscal year for cities and towns to July 1 - June 30, to conform with that of the state and federal governments. Due to technicalities in the proposal, the bill will be resubmitted to the General Court in 1970 so it will become effective January 1971. When this proposal materializes, towns and cities will have opportunities to have the budget acted upon at the local town meeting and by city council before expenditures are made. This should save all communities money throughout the state and should have far reaching favorable effects.

In closing, the Committee wishes to extend its thanks to the members of the faculty, administrators, school personnel, Town Departments, American Legion, members of the PTA, the Lions Club, and the Townspeople for their cooperation and assistance in making the school year of 1969 beneficial and profitable.

Respectfully submitted,

ROBERT W. McDONOUGH, Chairman

FRANCIS J. COLLINS, Secretary

RAYMOND L. GEHLING JR. Financial Secretary

JOHN F. O'ROURKE

JOHN M. RITCHIE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Millis:

Herewith I present my twenty-first report as Superintendent of Schools. It is the Seventy-Eighth report in a series of School reports which began in 1892. Included in my report are selections of the reports of the principals and other key personnel.

This year it is intended that the School report contain the necessary statistical reports:

Distribution of Minors	(October 1, 1969)
School Calendar	(1969-1970)
Grade Population	(October 1, 1969 - School register)
School Personnel	(1969-1970)
Financial Statement	(December 31, 1969)

The teachers of special subjects, department heads and coaches have submitted comprehensive reports of the activities of their areas during the past year. Many of these are excellent but this year we are not including excerpts from them, but acknowledging these in the following manner.

Reports were received from the following:

Mary K. Gavin	Mathematics Coordinator
Suzanne Whittemore	Foreign Language Dept. Head
Susan Maguire	English Acting Department Head
Joan Strathern	Librarian
Frank Gubala	Music Coordinator
Henry Doyle	Director of Athletics and Faculty Manager
Elaine Peterson	Girls Physical Education
Andrew Marak	Physical Education Instructor, Track Coach
Ernest Richards	Head Football and Baseball Coach
Paul Duca	Head Basketball Coach
Frank Glass, Jr.	Cross Country Coach
Russell Gilfoy	Art Coordinator
Eleanora T. Duross	Reading Analyst
Betty Cushman	Elementary Physical Education Instructor
Eileen Brown	Cafeteria Manager

John Trainor	Director of Guidance
Estelle Grazanka	Business Department Head
Charles Hardy	Social Studies Acting Department Head

Excerpts from the Principals, School Physician, School Dentist, School Nurse follow this report.

Policies in Effect

To have the School program meet the needs of each pupil at every grade level — educationally, socially, and emotionally.

To offer the proper academic program vertically and horizontally within the school system.

To prepare students for citizenship with all its privileges and responsibilities.

To engage the services of the best qualified individuals.

To have available adequate school housing to operate the proper school programs for the benefit of the youths of our community.

School Housing — Our Major Problem

A School Land Investigating Committee has been appointed and the administration has been working with this committee to determine school land requirements for future school use.

According to the Commonwealth of Massachusetts, Department of Public Health, the number of births recorded for Millis since 1948 has increased each year and as a matter of fact in 1948 the figure recorded was 62 and in 1966 it was 134 which was approximately 210% of the 1948 figure.

Limitations Now

In the Clyde Brown School, remedial reading is sometimes taught in the supply closet or storage closet. Library facilities are limited to classroom libraries because there are no provisions in the building for a general library.

At the Memorial School where we are exceeding the normal capacity by 27 in the morning session and 30 in the afternoon session it is obvious that there is no classroom space to expand our program. Remedial Reading is taught in an area on the second floor of this building.

We have maintained the status quo or have been marking time without any great expansion in the offerings of our school program. The time is here now for us to evaluate the overall school situation, including program, plant, and essential personnel, and sites for a more effective program to meet the educational, physical, and emotional problems of our youth.

At the secondary level, with a departmentalized system, it is obvious that classrooms over and above the home rooms must be used daily. These are science rooms including general science, biology, chemistry, art rooms, business rooms, home economics area, industrial arts and music.

With the above in mind, the section allotted to junior-senior high school students is being used practically to capacity. It will be necessary to use additional space for secondary purposes. This means that the Annex, used temporarily for elementary students, must be made available by the Junior-Senior High School students.

It is late even now but we should immediately plan for additional school land and school facilities to avoid double sessions.

May I, at this time, extend my appreciation for the cooperation and assistance rendered by the members of the School Committee, the Principals, the entire school personnel, all local organizations, and the townspeople.

Respectfully submitted,

GEORGE C. ROY

Superintendent of Schools

REPORT OF THE JUNIOR-SENIOR HIGH SCHOOL

William A. Vellante, Principal

Educators are about to embark on a new decade that will entail changes in Education that would have been considered unrealistic and inappropriate twenty years ago. Education in the seventies will mean innovation, relevancy, change, communication, and inquiry.

Curriculum relevancy is being carefully considered today in the areas of social studies, science, mathematics, business, industrial art, and English. Plans are presently in process for updating the curriculum of these disciplines. Such changes should provide a more meaningful approach to the study of the existing society and to prepare our young people for the seventies and life in the twenty-first century.

The curriculum includes all constructive learning experience in order to develop knowledge, skills, attitudes, ideals and habits that are appropriate to the American way of life. In addition to the sound teaching practice of the subject matter disciplines, the curriculum also encompasses experiences that are developed outside the classroom environment. Our young people continue to enjoy learning experiences in planning for social functions, participation in athletics, musical programs, assemblies, educational trips and preparing for the Senior Activity Week which includes Class Day and Graduation.

In essence, the faculty has been encouraged to initiate innovations and improve the curriculum where change would be appropriate. One innovative practice that has received recognition for its approach is the English Department's Humanities Program. It was first developed in 1968-1969 school year with the study of life in the twenties. Inter-disciplinary studies involved members of the departments of English, social studies, art, music, and home economics. The humanities approach this year was directed to the study of the Medieval period. The culmination of the program was a medieval wedding and wedding banquet which attracted statewide publicity in a televised presentation on WHDH-TV.

The Massachusetts Advisory Council on Education has authorized a study of the comprehensive high schools. The intent of the study is to present recommendations which, when implemented, will lead to significant change and improvement in the high schools of Massachusetts. Presently data are being organized and interpreted to evaluate the relevancy of programs and services presently offered in the high schools of the state.

Additional financial scholarships to be awarded annually were provided for our graduates by the Alumni Association and the Lions Club. Appreciation is extended also to Mr. and Mrs. Huna Rosenfeld and their many friends who contributed to establish the Annual Niles Rosenfeld Scholarship.

In conclusion, appreciation is extended to the many organizations which supported the school, and to the Staff and Personnel for their cooperation. Also, acknowledgment is made of the continued support and cooperation of the Superintendent and the School Committee.

REPORT OF THE CLYDE BROWN AND MEMORIAL SCHOOLS

Joseph F. Ailinger, Principal

Chief among the goals of elementary education is the development of proper pupil attitudes toward oneself, others, the school, and the community. The thrust of the entire instructional program is in this direction. Unless the young child is taught how to accept himself, with all his perfections, faults, and mannerisms, in sort—his personality—he will not possess the self-confidence that is needed for success. It is upon this foundation of self-acceptance that the elementary teacher bases the teaching program where each child is encouraged to perform within the best limits of his own ability.

The N. D. E. A. purchased closed circuit television equipment is receiving continued usage in the Memorial School. Arrangements were made to conduct a series of in-service workshops in TV Technique. The enthusiasm of the teachers for the possibilities provided by closed-circuit TV (CCIV) is most encouraging, whether it be for large group instruction, class room instruction of small group through prepared tapes. The possibilities are only limited by the initiative of ones creativity and imagination.

Intergrade meetings have been set up. The purpose of these meetings is to open a channel of communication between each grade level, and thereby better meet the educational needs of each pupil. By assembling in this manner the elementary faculty, not wishing to become isolated at a particular grade level, has shown itself very open to the frank, concrete suggestions arising from its members that would improve the already high quality of instruction.

Throughout the years, the teachers and administrators have been engaged in local projects to improve instruction, workshops, Summer Institutes, and graduate courses to increase professional competence.

In conclusion, in behalf of the elementary schools, I thank the School Committee, the Superintendent of Schools, the parents, the non-professional staff members and the various departments of the Town of Millis whose cooperation has made this a pleasant and successful year in the lives of the children of Millis.

MEDICAL DEPARTMENT**Jacob J. Zalvan, M. D., Director**

This year we examined all students in grades 3, 6, 9 and 12. Because of the requirement that students participating in sports must have a physical examination we did all those in grades 7 through 12, boys and girls, who registered their desires. This made a grand total of about 800 students.

Physical examinations of all these students showed the following results:

2 were excluded from sports.

22 students were referred for further consultation.
(deformities, heart conditions)

The most common minor defects remain posture, feet, nutrition, throat.

Dental defects are much less common now.

About 35% of students examined were found to be free from all defects; most defects are found in upper classmen.

From these facts we deduce that younger children receive better prophylactic care than their older siblings; that more attention should be devoted to physical education classes — postural exercises, proper shoes, better supervision of nutrition.

This year, again, the Board of Health sponsored several immunization clinics. As usual, we held diphtheria-tetanus-whooping cough clinics. We also gave measles vaccine to those who had never had it before. Mumps immunization was given to all children through the elementary grades. For the first time, german measles vaccine was given to all elementary school pupils in an attempt to eradicate this "mild" disease that might attack pregnant women with

the possibility of congenital defects in the new-born. Flu vaccine clinics were held for School and Town personnel.

In athletics, we had no serious injuries, though our football team was small and relatively inexperienced. There were no contagious epidemics.

In the performance of our services, we are grateful for the help of Mrs. Prue and her nursing assistants, the School Department, the Board of Health and the parents whose cooperation is so essential.

JACOB J. ZALVAN, M. D.

REPORT OF THE SCHOOL DENTIST

To The Superintendent of Schools:

A very successful series of Dental Clinics was held this year for the period extending from January to December, 1969. From January thru June, we carried on our usual program of X-ray and oral examinations. Notices were sent home stating the corrective work needed, and many parents elected to have this work done at the School Clinics. On this program we have been able to take care of the first three grades.

In September, after some discussion with the Board of Health and the Massachusetts Department of Public Health, we decided to cover at least the first six grades with a complete X-ray and oral examination. If this examination shows that the child needs dental attention, then the parents are so notified. We have just begun this program, so it is too soon to evaluate it. Perhaps we can eventually extend it to cover the whole school system.

Thirty-five Dental Clinics in all were held for the above period. One hundred sixty four children were X-rayed, ninety-one children received corrective treatment. Thirteen children received oral prophylaxis and the number of restorations was one hundred seventy three.

HERMAN L. BROWN, D.M.D.

REPORT OF THE SCHOOL NURSE

Jeanne E. Prue, R. N.

Routine clinics were run this year with the addition of the German Measles Clinic and an additional Mumps Clinic.

Beginning September, 1969, our Dental Program was changed. We felt that x-rays and dental exams for Grades 1-6 would provide benefits to more people.

An additional school nurse has been added to provide quicker and broader services to the elementary schools.

I want to extend my appreciation to my assistants, Mrs. Nosiglia, Mrs. Whelihan, and Mrs. Andrews; also Dr. Zalvan, my secretaries and complete school faculty for their cooperation in carrying out our school health program.

SCHOOL SONG

Gray is the peaceful night:
 Day's closing brings it night —
 Crimson which streaks the sky
 In radiant light.
 Those are our colors dear,
 Though we in numbers few
 To them we will be true
 When far or near.

Each year we work and strive
 To keep our ideals high,
 High as the distant sky,
 Each one alive.

Memories of happy hours,
 Millis, thou school of ours,
 Hear this our welcome lay,
 Crimson and Gray.

Words by Ruth Richardson '20

REPORT OF THE BOARD OF SELECTMEN

The board of selectmen organized for the year during a regular meeting held Wednesday, March 5, 1969. Donald M. Kuhn was elected chairman and Henry J. Lewandowski, clerk. Thomas S. Lydon is the third member of the board.

Regular meetings were held Wednesday evenings until April when they were changed to Monday evenings by a vote of the board. Meetings were scheduled for alternate Monday evenings beginning October 6 and experience has shown this schedule works very well.

Contracts awarded during the year were:

R. H. Long Motor Sales Company, Framingham, one Pontiac wagon, cruiser for the police department, with turn in of 1967 Ford \$2875.

Bell Electric Co., Providence, R. I., traffic signal installation at the intersection of Routes 109 and 115. \$7400.

Coan Inc. of Natick, fuel oil for town buildings, subject to increases in the Boston posted tank car price. per gallon \$.1335

D. C. Collins Company of Millis, printing 1969 annual town report, per page \$10.45

A. J. Nielsen Radio Service, Hanover, fire department radio for deputy chief's vehicle \$640.

Motorola Communication and Electronics Inc., Boston, walkie-talkie radio for police department \$657.

All contracts have been completed with the exception of those for fuel oil, the town report and the traffic signals. Fuel oil deliveries will continue through the 1969-70 season and the town report is scheduled for delivery in early March. After two years of planning and preparation, the installation of the first pedestrian traffic control signals in the town, at the intersection of Routes 109 and 115, should be started within a short period of time. We are confident the town will receive many benefits in traffic control from this installation.

The NCR 215 bookkeeping machine, which had been operating in the selectmen's office for a year under a lease-purchase agreement, was purchased shortly after authority to do so was granted at the 1969 annual town meeting. The board feels this has greatly improved the town's financial records and supplies department heads and the finance committee with regular, up-to-date information. In addition to posting appropriations and expenditures, the machine is used to process checks for payment of bills and payrolls, W-2 forms and real estate tax bills.

Again this year the board asked town officials and employees to abbreviate their annual reports. They have apparently complied with our request and the size of this annual report will indicate how **successfully this has been done.**

Street lighting on Main Street has been greatly improved by the installation of about 40 11,000 lumen street lights from Village Street to Plain Street and in a few other selected areas. We hope to continue the improvement of street lighting along Main Street during 1970. Unfortunately, because of budget limitations, we have been unable to comply with individual requests for street lighting but hope through a planned program to eventually improve the street lighting **throughout town.**

We have tried to control dumping at the town disposal area by rules and regulations and we feel that, under the present program, **the situation is greatly improved.**

The state has awarded the contract for the construction of a new bridge between Dover Road, Millis, and Bridge Street, Medfield. It is expected this project will get underway as soon as weather conditions permit and that the bridge will be ready for use before the end of the year. We are proposing at the annual town meeting that the Chapter 90 construction funds be again allotted to Dover Road and that \$12,000 in extra funds be accepted from the state to allow us to complete the work on Dover Road this year. Otherwise we foresee serious traffic problems on Dover Road once the bridge is opened.

We acknowledge the fine service rendered to the town and the board of selectmen for the past twelve years by Thomas S. Loden who decided not to run for reelection this year. We will miss him.

LICENSES AND PERMITS ISSUED FOR 1969

- Alcoholic beverages licenses
 - 1 club, all alcoholic
 - 3 common victualer, all alcoholic
 - 1 common victualer, seasonal, all alcoholic
 - 1 innholder, wines and malt beverages
 - 1 innholder, seasonal, all alcoholic
 - 3 retail package goods store, all alcoholic
 - 2 retail package goods store, wines and malt beverages
- 1 Amusement machine
- 1 Antique and secondhand
- 3 Auctioneer
- 1 Bowling and billiard tables
- 10 Common victualer
 - 3 Innholder
 - 3 One-day beer and wine
- 4 Second-hand auto
- 1 Skeet and trap shoots on Sunday
- 12 Sunday licenses
- 2 Taxi

As we close our report for 1969, the beginning of 1970 marks the advent of a decade which will be dramatically different from any that has gone before. This, we feel, will be especially true as it applies to the town of Millis and the administration of local government.

We are concerned with the challenges of the 70's. It therefore seems appropriate to take this occasion, not with a backward-looking review, but with a look to the decade to come and a pledge to meet the problems ahead.

The task of making predictions is difficult and should not be approached lightly. However, with a full awareness that to go "out on a limb" is to risk a fall, we are confident that, along with your support, we will meet the challenges and changes of the new decade. Millis will continue to absorb the pains of growth, the challenge of change and will continue to be a community of which we are all proud.

BOARD OF SELECTMEN
DONALD M. KUHN, Chairman

REPORT OF THE TAX COLLECTOR

Following is the report of your tax collector for the year 1969

Outstanding January 1, 1969	\$ 130,314.71
Taxes committed for collection by assessors	1,616,663.97
Total refunds	9,808.80
Transferred to tax title account	820.40
Total abatements	83,929.17
Transferred to asset account	126.00
Total payments to treasurer	1,589,267.89
Total interest paid to treasurer	5,985.48

For the outstanding balances of the various tax accounts, please refer to the balance sheet of the town accountant's report.

I would like to thank all town departments that have helped me in my first year as tax collector.

Respectfully submitted,

RICHARD H. AULENBACK

Tax Collector

REPORT OF THE TOWN ACCOUNTANT

The following is a report of the financial transactions of the town of Millis for the year ending December 31, 1969.

I wish at this time to thank the many citizens and town officials for their cooperation during the past year and I will continue my efforts to be of assistance whenever possible.

Respectfully submitted

GEORGE D. CASSIDY JR.

Town Accountant

For the LORD thy God
bringeth thee into a good land,
a land of brooks of water,
of fountains and depths that
spring out of valleys and hills;
A land of wheat, and barley,
and vines, and fig trees,
and pomegranates;
a land of oil olive, and honey;
A land wherein thou shalt eat bread
without scarceness, thou shalt not
lack anything in it; a land
whose stones are iron, and out
of whose hills thou mayest
dig brass.

Deut. VIII: 7-8-9
